Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

- Need more financial help

I face the following problems ...

Hard and stressful times.

I need help with ...

- What ever help is out there (financially etc.
- All help in all ways.

I think the Government can better help Carers by ...

Paying more and better facilities
I hope we can get more help than we are getting.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
