

Joint Committee of Public Accounts and Audit
Report 383 *Review of Auditor-General's Reports 2000-2001 First Quarter*

Recommendation 5 (report paragraph 5.67)

The Committee recommends that the Australian National Audit Office conduct a follow-up audit into Defence's strategies for recruiting, developing, and retaining skilled IT personnel.

ANAO Response:

The ANAO supports this recommendation. It can be considered further in discussions with the JCPAA on the ANAO's work program for the financial year 2002-03.
