

PETITION

**TO THE HONOURABLE THE SPEAKER AND MEMBERS
OF
THE HOUSE OF REPRESENTATIVES ASSEMBLED IN PARLIAMENT:**

The petition of certain electors of the Division of Ryan draws the attention of the House to the vacant property situated at 600 Coronation Drive, Toowong, Brisbane, owned by the Commonwealth of Australia and formerly occupied by the Australian Broadcasting Corporation.

Your petitioners therefore ask the House to request the Minister for Communications, Information Technology and the Arts, to redevelop the site into parkland for the benefit of the residents of Queensland and visitors to that state, and agree to the request of Councillor Peter Matic, Councillor for Toowong Ward, that the said parkland be conveyed to the Brisbane City Council.
