

Submission to Parliamentary Inquiry

To:	Parliamentary Inquiry on Strata Titled Insurance

Comments:	<p>I am extremely concerned of the increase in insurance costs for unit complexes in the Cairns region.</p> <p>We have not made any major claims for insurance at our complex ([REDACTED], apart from a fence in Cyclone Yasi). The increase in insurance fees is disproportionate to previous claims and the value of the unit.</p> <p>The dramatic increase in costs may make my small unit investment unviable.</p>
