

Dear Mr. Graham Perrett MP

I would like to confirm my concerns re the excessive Insurance costs for our apartment a [REDACTED] in Port Douglas. We also have a home in [REDACTED] Port Douglas. I refer to [REDACTED] email to you dated January 11, 2012.

These increases seem over the top. Property Insurance in Victoria has increased slightly as per usual. Victoria too has endured some disasters over the last few years but the insurance premiums have not increased no where as much as the [REDACTED] apartment.

I appreciate you giving this matter some thought and positive action for the many property holders in Port Douglas.

Thanking you,

Di Larkman
