Chair: Luke Simpkins MP

**National Capital Authority to appear before the NCET
Committee**

10:00 am - 11:00 am, Thursday, 13 February 2014

The National Capital Committee will question the National Capital Authority (NCA) at its biannual public hearing on Thursday, 13 February 2014 from 10:00 am to 11 am in **Committee Room 1R5**, Parliament House, Canberra.

The NCA manages the Commonwealth's interest in the planning and development of Canberra and the Territory by administering the National Capital Plan and areas designated as National Lands.

The hearings are a means of raising the level of transparency and parliamentary accountability applying to the NCA.

This hearing will provide an opportunity for the Committee to ask the NCA about recent developments and plans for the National Capital, including the status of current and proposed works.

Committee Chair, Luke Simpkins MP, noted that "the Committee is interested in a range of issues affecting the National Capital and to meet with the NCA's new CEO, Mr Malcolm Snow, to hear his vision."
