Dear Committee Secretary

Recently I contacted my Federal member MAL BROUGH M.P. with regards to child support for my daughter [Redacted] aged 9 [Redacted]

I have residency of [Redacted] before, during and after separation and divorce from her mother.

To this day we, even after the C.S.A was contacted we have not been given one cent for her share of child support.

The system in place is obviously not working and is causing a serious financial hardship for me to raise my beautiful daughter [Redacted]. She does not deserve

this hardship placed on her causing  
social Discrimination because  
of other Parties lack of concern  
for her now, then and in the  
future

Please help [REDACTED] get her  
right to lead a normal life  
and solve this problem PLEASE
