Dear Secretary,

House of Representatives Standing Committee on Family and Community Affairs	
Submission No:	536
Date Received:	8-8-03
Secretary:	

I am an elderly grand parent, and am deeply concerned in the way custody laws are operating at present.

Factors that need to be carefully determined.

The standard of behavior of each parent. Lawfully, Morally and psychologically.

Whether the father or mother, has reverted back to a standard of behavior that is not acceptable for the well being of the child or children.

Children may be better cared for with equal time sharing in some cases. Provided parents are capable. Are living in the same area and the children are allowed attend the same school.

I firmly believe that, the law giving the mother full custody of the children, in all circumstances, is unjust and not acceptable.

With regards.

Yours sincerely,

Kathy McHenry

Mrs. Kay Hull Member for Wagga Wagga.
The Chair of Committee, as above.
