Dear Secretary,

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing & Youth's inquiry into Better Support for Carers.

While I am grateful for the Carers Allowance etc.

my BIG WORRY is "What will become of my daughter when I can no longer care for her?" We need some peace of mind that there will be suitable accommodation and care for these precious people who can't make important decisions. More support should be given to worthy, genuine groups who would like to supply such homes.
