Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is ....

*and important*  
So vital to the person whom I care for.

I face the following problems ...

The person whom I care for can not be independent, and I have to look after her.

I need help with ...

Continue to support the carers, please. I really appreciate your concerns.

I think the Government can better help Carers by ...

Future services better meet my needs as a carer. By leaving them in Nursing home it will cost more to government, where as a carer I give her better quality of care than any other places.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
