Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

Endless, thankless, poor, a no-win situation,

I face the following problems ...

Financial catastrophe. (I cannot work)

High stress and depression.

No housing accomodation for my high ^{very} needs
autistic 20 year old son. (after

I need help with ...

Permanent housing for my son.

Finances.

Funding for respite.

I think the Government can better help Carers by ...

Increasing carers payments & caree pensions.

More respite

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
