Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

to stand beside & help the person
cared for

I face the following problems ...

constancy of the job with no
relief

I need help with ...

getting away from the job on
a regular basis

I think the Government can better help Carers by ...

finding respite methods which
suit individual needs

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
