Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is ...

To care for my grandson as long as possible but age and health is our huge worry

I face the following problems ...

coping with a disabled adult.  
 Providing him with 24 hour care.

I need help with ...

General care and respite and recreational activities that are becoming hard to provide.

I think the Government can better help Carers by ...

Providing more accomadation and support for our children.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
