Submission No. 15
(Plain Packaging Bill)
A.O.C. | Date: 19/07/2011

Dear sir,

I don't think it's a good idea to change TO the Plain packaging of Tobacco. It just makes trouble to look for the difference of different brands, and just wastes the money and time. Do you think it's a good idea?

I think somebody who never smokes will think this idea is good, they never understand the other people.

Regards

Yours
