**Subject: Inquiry into Australia's Relationship with  
Indonesia: Follow-up from the Department of  
Transport & Regional Services**

Dear Ms Holmes

I would like to thank the Committee for the opportunity to clarify the Department's input into this inquiry.

In response to the Committee's question regarding Indonesia's recent changes to visa requirements, I can confirm the Department was not consulted on this.

If the committee requires up-to-date aviation statistics for its final report, the Department is able to provide this information. Please contact Mr Ross Gough for further details (02 6274 7908 or [ross.gough@dotars.gov.au](mailto:ross.gough@dotars.gov.au) ).

If the committee requires any further information from DOTARS, the contact officer is Mr Phillip Starkins (02 6274 7346 or [phillip.starkins@dotars.gov.au](mailto:phillip.starkins@dotars.gov.au) ).

Yours sincerely,

Dr Gary Dolman
