Dear Dr Pender

NEW INQUIRY - DEVELOPMENT OF NORTHERN AUSTRALIA

I have great pleasure in enclosing Council's submission in relation to the development of Northern Australia.

I believe this submission highlights a unique combination of factors, which provide an exceptional opportunity to see productive, efficient and effective new developments in Northern Australia, in particular the southern reaches of Tablelands Regional Council's area.

My Council would welcome the opportunity to address any additional information requirements you may have.

Yours faithfully

CR ROSA LEE LONG
