Re. ICC Proposal.

Submission No.91.....

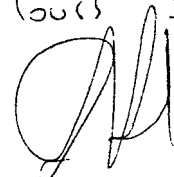

Dear Sirs,

I urge you to reject the proposal to allow foreigners to have any influence over the judicial systems of our state and Federal Government.

Men gave their lives in several wars to ensure that foreigners would not make the rules that we must jump to. People escape from repressive regimes where people other than them make the rules to come here.

Please let us know that our government has the vision + initiative to manage our laws and to keep foreign interests out of our country.

Yours Sincerely

Doug Howard.
