Hon David Jull MP
Chairman
Parliamentary Joint Committee on Intelligence and Security
Parliament House
CANBERRA ACT 2600

Dear Mr Jull

I write in response to your letter of 27 November 2006 concerning the review of the operation of "proscription" provisions under Section 102.1A(2) of the Commonwealth *Criminal Code Act 1995*.

Given our limited experience of the operation of these provisions, the Northern Territory has no specific concerns with the implications of this proscriptive power, and therefore does not wish to make any submission to the review at this stage.

Yours sincerely
