Dear Senator

Re: Larrakeyah Public Works Committee Submission

We refer to the PWC submission for the above-mentioned property. We note that there was inadequate labelling of streets on the plan provided. We have attached a new copy of the plan clearly labelling all streets.

In addition, we note that two streets have been incorrectly referred to in the submission. Elliot Place has been incorrectly referred to as Elliot Point Road on pages 8 and 16 of the report. Whittle Crescent has been incorrectly referred to as Whittle Street on pages 8, 12, 14 and 15 of the report.

We trust this clarifies matters.

Yours faithfully
