CANBERRA ACT 2600

Dear Sir

## Adequacy Of Radio Services

I refer to your letter dated 25th September, 2000 regarding the above.

Wandering is located 120km to the south east of Perth off Albany Hwy on the edge of darling escarpment and is within the Federal electorate of O'Connor.

Radio reception is received from Narrogin 65km to the south east. Two AM stations are received – ABC Rural and Radio West. No FM transmission is received.

The Radio West reception strength is very weak – allowing the power lines around the town to interfere with the signal.

The result is that reception is inadequate.

I trust these comments will be of use.

Yours faithfully,

M.G. (Mick) Oliver
