Dear Sir,

I am writing at my disappoin

*ment of one person or one company can
come in and buy up a lot of the Radio
stations, and take them to one station
in a big city and we have to listen to
city broadcast from 6.P.M to 6.A.M ^{week days} and all
day Sunday starting from midday Saturday
and to listen to the same old boring
rock music etc, and talk back,
and nothing to do with the country,
we don't listen to 2.TM Lamworth anymore
lucky we can pick up 2 You Fm, for
John Laws programme and they play music
to suit everyone, and we find 2 MN
very good so hope the big boys don't come
in and buy that station up too.*

Regards. Mrs. E. Kelly
