Dear Sir,

Please accept this submission for the JSCEM's Inquiry into the 2007 Federal Election. ADD YOUR TEXT HERE Is this only open to Australians? I have lived here for 30 years having moved from the UK when I married due to my ex's work here. I am still not allowed to vote except in the Gemeente elections. I pay my taxes, my children were all born here and educated at Dutch schools (they are in the same situation as they also have British nationality and passports) and I make use of the health system being diabetic. I have been told that the only way to be able to vote is to become a Dutch citizen which I do not wish to do. Having seen what has happened and what is happening not only in this country but in the world I would dearly love to cast a vote to try and rectify some of the situations.

Mrs. Anne Witham - Ellis
