Dear Sir,

Please find enclosed a brief submission by the Coolabah Landcare Group into the impacts of Conservation Controls imposed on landholders. Unfortunately, lack of time has prevented a more thorough submission and due to geographical fragmentation of our members, it is not possible to have figures to support our thoughts at this stage. A more thorough study of costs and benefits is likely to be conducted by our group during the next few months. I hope our thoughts have been of some use.

Sincerely,

Tania Hall  
Secretary
