Subject: RE: TRADE COMMITTEE HEARING ON CER

The ACCI has canvassed our members on the broader issues being considered by the Committee, and has received no substantive responses which would assist the Committee in its work. As one member advised, "the biggest issue is that there is no issue" in the bilateral relationship, a sentiment echoed by others in our constituency.

Nevertheless, should any issues emerge from within the Chamber movement germane to your Inquiry, then we will take appropriate steps to engage with the Committee.

With regards

Dr Brent Davis
