

Submission No. 131

97 TUGGERAH PARADE
LONG JETTY, N.S.W. 2261
23 - FEB 2001

Dear Sir

I am Australian citizen
& a veteran of World War 2 I wish to record
my objection to my country Australia being involved
with the International Court Treaty proposals
allied with the United Nations.

In my opinion no other
committee or body should be able to have
any jurisdiction whatsoever in the laws
or affairs of Australia.

Yours Faithfully
Bernard O'Riordan
