The Treaties Committee  
Parliament House  
Canberra A.C.T. 2600

Dear Sir/Madam,

I am writing to Register my protest in the strongest possible way to these Bureaucrats, and Politicians who are urging our Federal politicians to pave the way for Australia to become a member of the International Court.

The only Law we want in Australia is our own Australian Law - drawn up by Australians for Australians, in Australia.

We do not need foreign Committees interfering in our internal affairs.

Yours faithfully  
D.C. British
