

**Australian Parliament
Joint Standing Committee on Migration
Submission no. 365**

The Bible says, If My people, who are called by my name, will humble themselves and pray, and seek My face and turn from their wicked ways, then will I hear from Heaven and heal their land. "Multiethnic" is acceptable if people obey the one and only true God. Mosques and temples of foreign gods should never have been allowed to be built in Australia.

Our culture is deteriorating to the extent that Australia will be overtaken by Muslims and all those who have voted for the parliamentarians who make ungodly decisions will rue the day.

We don't want heathen cultures being so evident in our society. We need people, who love God and their neighbours, to prosper as a united people:- One Lord, one faith, with people united by true Christian values not swayed to and fro by every wind of doctrine.

"Multiculturalism" is a no, no never! That word is not in the dictionary - nor should it be, ever.

Your faithfully,
