

PETITION
STOP THE KILLING OF HUMPBACK WHALES

To: The Honourable the Speaker and Members of the House of Representatives assembled in Parliament.

This petition of the citizens of Australia draws to the attention of the House that

- **The slaughter of whales for any reason is totally unacceptable**

We the undersigned therefore request the House

- **To ban all whaling vessels and weapons from entering Australian Waters; refuse any requests for help to all whaling vessels; stop the hunting and slaughter of whales in Australian waters and in the Southern Ocean Whale Sanctuary by the Japanese Government.**

Your Petitioners therefore humbly pray that your Honourable House will

- **Take immediate action to protect rare and endangered whales and take whaling countries to the International Court.**
