

**TO THE HONOURABLE SPEAKER AND MEMBERS OF
THE HOUSE OF REPRESENTATIVES**

This is the petition of certain citizens of Australia

draws to the attention of the House: The inflation of rental accommodation is making it increasingly difficult for those in the unfortunate position of having to rely on an income support payment from Centrelink to be able to afford to pay their rent.

We therefore ask the House to: Revise the legislation governing Rent Assistance to allow a greater amount to be paid to assist in paying for the accommodation of those in this position and as a consequence help reduce homelessness in Australia
