

**TO THE HONORABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES**  
**This petition of the staff and community of Hornsby Kuring-gai Hospital**  
**draws to the attention of the house that the media have highlighted the appalling difficulties**  
**under which medical, nursing and allied health staff work at Hornsby Ku-ring-gai Hospital.**  
**Despite these difficulties, the service provided by staff to their patients is of the highest**  
**quality.**

**We therefore ask the House to act to rectify problems that have been steadily deteriorating**  
**for decades. We call on the government to rebuild our local hospital.**
