

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF  
THE HOUSE OF REPRESENTATIVES**

**This petition of** the residents of Colac and District

**draws to the attention of the House** that the price of petrol in Colac appears to be set by two major food retailers and there is no effective competition between them.

**We therefore ask the House to:** take positive action to provide the residents of Colac and District with a fair pricing structure for fuel and call on the Government to investigate the practice of monopoly fuel outlets and their impact on rural communities.
