

Dear Mr Taylor and MDBA

My name is Brendan Glen Andreazza, I am 11 years old living in Griffith NSW.

Do you know what you are doing? you are taking away my future. My father is a farmer and i would like to follow in his amazing footsteps. I don't know why you are taking our water. I think it is a stupid idea so back off!!!

17.12.2010

B. Andreazza
