Dear Sir / Madam,

I am raising my voice of concern on recent hike on Strata Insurance premium, apparently my wife and myself are on a struggle street to make mortgage repayment on 2 investment properties that is located at [REDACTED], however recent hike for us means less spending and we will be looking to move away from further investments nationally

Name: Cecil & Lila Wati Prasad
Location of Investment Properties: [REDACTED]
Number of Property: 2 strata Apartments

We hope our concern is taken into account and considered

Thanks you and regards

Ces and Lila Prasad
