Question

CHAIR: When you talk about medium-sized credit, can you give me the financials there or the number parameters?

Ms Chester: We don't actually have metrics. We are getting some complaints coming through from the consumer groups and from the Debt Helpline, and we could ask them to pass on that data to you. We're expecting an update more formally from them—

Answer

ASIC has advised the relevant consumer group (Consumer Action Legal Centre) of the Senator's question. They advised that they will be in direct contact with the Senator.
