- (2) (a) The membership of the committee shall as closely as possible reflect the composition of the Senate and, until modified by a subsequent resolution, shall consist of 8 senators, 3 nominated by the Leader of the Government in the Senate, 4 nominated by the Leader of the Opposition in the Senate and 1 nominated by any minority groups or independent senators.

THE SENATE

REGISTRATION OF SENATORS' INTERESTS

1. Registration of Senators' Interests

(1) Within 14 sitting days after the adoption of this resolution by the Senate and 28 days of making and subscribing an oath or affirmation of allegiance as a senator, each senator shall provide to the Registrar of Senators' Interests a statement of:

- (a) the senator's registrable interests; and
- (b) the registrable interests of which the senator is aware:
 - (i) of the senator's spouse, and
 - (ii) of any children who are wholly or mainly dependent on the senator for support;

in accordance with this resolution and in a form determined by the Committee of Senators' Interests from time to time, and shall also notify any alteration of those interests to the Registrar within 28 days of that alteration occurring.

(2) Any senator who:

- (a) knowingly fails to provide a statement of registrable interests to the Registrar of Senators' Interests by the due date;
- (b) knowingly fails to notify any alteration of those interests to the Registrar of Senators' Interests within 28 days of the change occurring; or
- (c) knowingly provides false or misleading information to the Registrar of Senators' Interests;

shall be guilty of a serious contempt of the Senate and shall be dealt with by the Senate accordingly, but the question whether any senator has committed such a serious contempt shall first be referred to the Privileges Committee for inquiry and report and may not be considered by any other committee.

2. Registrable interests of spouses and dependents

Statements of the registrable interests of a senator's spouse or of any dependent children submitted in accordance with paragraph (1) shall be maintained in a separate part of the register and shall remain confidential to the Committee of Senators' Interests except where the committee considers that a conflict of interest arises, at which time the committee may table the declaration.

3. Registrable interests

The statement of a senator's registrable interests to be provided by a senator shall include the registrable interests of which the senator is aware of the senator's spouse and of any children who are wholly or mainly dependent on the senator for support, and shall cover the following matters:

- (a) shareholdings in public and private companies (including holding companies) indicating the name of the company or companies;
- (b) family and business trusts and nominee companies:
 - (i) in which a beneficial interest is held, indicating the name of the trust and the nature of its operation and beneficial interest, and
 - (ii) in which the senator, the senator's spouse, or a child who is wholly or mainly dependent on the senator for support, is a trustee (but not including a trustee of an estate where no beneficial interest is held by the senator, the senator's spouse or dependent children), indicating the name of the trust, the nature of its operation and the beneficiary of the trust;
- (c) real estate, including the location (suburb or area only) and the purpose for which it is owned;
- (d) registered directorships of companies;
- (e) partnerships, indicating the nature of the interests and the activities of the partnership;
- (f) liabilities, indicating the nature of the liability and the creditor concerned;
- (g) the nature of any bonds, debentures and like investments;
- (h) saving or investment accounts, indicating their nature and the name of the bank or other institutions concerned;
- (i) the nature of any other assets (excluding household and personal effects) each valued at more than \$5 000;
- (j) the nature of any other substantial sources of income;
- (k) gifts valued at more than \$500 received from official sources (such sources being an Australian or foreign national, state, provincial or local government or a person holding an office in such a government) or at \$200 or more where received from other than official sources, provided that a gift received by a senator, the senator's spouse or dependent children from family

members or personal friends in a purely personal capacity need not be registered unless the senator judges that an appearance of conflict of interest may be seen to exist;

- (l) any sponsored travel or hospitality received where the value of the sponsorship or hospitality exceeds \$200;
- (m) being an officeholder of or financial contributor donating \$200 or more in any single calendar year to any organisation; and
- (n) any other interests where a conflict of interest with a senator's public duties could foreseeably arise or be seen to arise.

4. Register and Registrar of Senators' Interests

- (1) At the commencement of each parliament, and at other times as necessary, the President shall appoint an officer of the Department of the Senate as the Registrar of Senators' Interests and that officer shall also be secretary of the Committee of Senators' Interests.
- (2) The Registrar of Senators' Interests shall, in accordance with procedures determined by the Committee of Senators' Interests, maintain a Register of Senators' Interests in a form to be determined by that committee from time to time.
- (3) As soon as possible after the commencement of each parliament, the chairman of the Committee of Senators' Interests shall table in the Senate a copy of the completed Register of Senators' Interests and shall also table every 6 months any notification by a senator of alteration of those interests.
- (4) The Register of Senators' Interests shall be available for inspection by any person under conditions to be laid down by the Committee of Senators' Interests from time to time.
- (5) That part of the Register of Senators' Interests relating to spouses and dependent children shall remain confidential to the Committee of Senators' Interests as provided for in paragraph 2.

5. Declaration of interest in debate and other proceedings

- (1) Notwithstanding the lodgment by a senator of a statement of the senator's registrable interests and the registrable interests of which the senator is aware (a) of the senator's spouse; and (b) of any children who are wholly or mainly dependent on the senator for support, and the incorporation of that statement in a Register of Senators' Interests, a senator shall declare any relevant interest:
 - (a) at the beginning of his or her speech if the senator participates in debate in the Senate, committee of the whole Senate, or a committee of the Senate or of the Senate and the House of Representatives, and
 - (b) as soon as practicable after a division is called for in the Senate, committee of the whole Senate, or a committee of the Senate or of the Senate and the House of Representatives, if the senator proposes to vote in that division;

and the declaration shall be recorded and indexed in the *Journals of the Senate* or minutes of proceedings of the committee and in any Hansard report of those proceedings or that division, but it shall not be necessary for a senator to declare an interest when directing a question seeking information in accordance with standing order 72 or 74.

- (2) For the purposes of subparagraph (1), in proceedings on a bill a declaration of a relevant interest shall be made:
 - (a) when a senator first speaks in debate on any stage of consideration of the bill; and
 - (b) when a senator first votes in a division at any stage of the consideration of the bill; and
 - (c) when a senator speaks or votes in a division on an amendment to the bill which raises an issue not included in an earlier declaration of interest during proceedings on the bill.

6. Interpretation

- (1) For the purposes of paragraphs 1 to 5 of this resolution "spouse" includes de facto spouse.
- (2) "De facto spouse" means a person who is living with another person of the opposite sex as the spouse of that other person on a *bona fide* domestic basis although not legally married to that other person.

Dear Mr O'Keeffe,

Your letter of 20th March 1997 (ref 527) has been passed on to me by my husband Senator Ian Macdonald.

I am now the sole director of Megal Pty Ltd the shareholding of which is held as to one share by myself and one share by my husband. I understand that at shareholders meeting on equality of votes I would have a casting vote.

Megal Pty Ltd has no assets on its own account but holds assets, including shares, as trustee.

I find your memo of 20th March difficult to understand - does the requirement set out in your letter apply only to shares or to other assets of the Trust.

The Company is the trustee of the I.D. Macdonald Family Discretionary Trust which has many potential beneficiaries both as to income and capital on winding up. The Trust was set up by a non related Settlor.

Each year the Trustee makes a decision as to allocation of income for that particular year.

Not once since my husband has been in parliament has any income been allocated to him by determination of the Trustee.

During the time my husband was a director of Megal Pty Ltd he did disclose in his Register of Interests the shareholdings held by the Company as Trustee although apparently the Rules at the time did not require this.

I set out below a list of the shares held by the Company as Trustee of the Trust although I hasten to add this letter is written in Canberra, at the time, without the benefit of my records which are stored in the home office:

....2

Company

Reefton Mining

Sino Pacific

Pan Pacific

Petroz

Kiwi Gold

Terrex

MIM

Amity Oil

Roebuck Resources

Alliance Holdings

Alliance Options

Alpha Health

Units

Seaworld Trust

In so far as you determine that this is required, this letter is to constitute a declaration of interests for myself and/or my husband as the case may require.

I have written this letter as since the 20th day of November 1996 I have been the sole director of the Company and my husband no longer has any control in its management or decision making process.

Yours sincerely,

Lesley Macdonald

Dear Sir,

Since my last advice the Company, Megal Pty Ltd, of which I am the sole director has sold the following shares:

In addition the following two companies have gone out of business.

Bestway
Terrex Resources

Would you please update my Registrar of Interests to delete these shares.

CANBERRA, A.C.T. 2600

Peter O'Keeffe
Clerk Assistant (Corporate Management)
The Senate

Dear Mr O'Keeffe,

I refer to your letter of the 20 March 1997 advising of the changes to the declaration of Senator's Interests in regard to shares held by Family Private Companies.

This amendment affects me through my share holdings in Frome Holdings P/L.

As you know, I am no longer a director of this company nor do I have any day-to-day knowledge of the business activities of the Company. Also, it is not clear cut that I would have a controlling interest over the disposal of shares held by the Company.

However, bearing in mind the spirit and purpose of the Declaration and based on the advice from the Secretary of Frome Holdings, would you please amend the declaration in Part A, Section 1 by adding:

" I have been advised that Frome Holdings P/L has shares in

Woolworths P/L
Beach Front Terraces P/L"

Yours sincerely,

Jocelyn Newman

Registrar of Senators' Interests

Parliament House
Canberra ACT 2600

Dear Mr O'Keeffe,

Enclosed are two returns each of Registered Interests for my wife and myself.

One set of returns are the position prior to Sunday 22 March 1998. The other set of returns reflect the current position.

It would be appreciated if these returns could replace all previous returns.

Every effort has been made to ensure that all details in both returns are in accordance with current explanatory notes. I have had them checked by my accountants Horwath Brisbane and have attached their note to that effect.

As you are aware neither I nor my staff have any record, or were aware of changes to the explanatory notes. To avoid a repetition of this I would suggest that the distribution system be reviewed.

Yours sincerely,
