THE SENATE
REGISTRATION OF SENATORS' INTERESTS
(Resolution of the Senate)

1 Registration of Senators' Interests

1.(1) That, within 14 sitting days after the adoption of this resolution by the Senate and 28 days of making and subscribing an oath or affirmation of allegiance as a Senator, each Senator shall provide to the Registrar of Senators' Interests a statement of:

- (a) the Senator's registrable interests; and
- (b) the registrable interests of which the Senator is aware:
 - (i) of the Senator's spouse, and
 - (ii) of any children who are wholly or mainly dependent on the Senator for support;

in accordance with this resolution and in a form determined by the Committee of Senators' Interests from time to time, and shall also notify any alteration of those interests to the Registrar within 28 days of that alteration occurring.

(2) That any Senator who:

- (a) knowingly fails to provide a statement of registrable interests to the Registrar of Senators' Interests by the due date;
- (b) knowingly fails to notify any alteration of those interests to the Registrar of Senators' Interests within 28 days of the change occurring; or
- (c) knowingly provides false or misleading information to the Registrar of Senators' Interests;

shall be guilty of a serious contempt of the Senate and shall be dealt with by the Senate accordingly, but the question whether any senator has committed such a serious contempt shall first be referred to the Privileges Committee for inquiry and report and may not be considered by any other committee.

2. That statements of the registrable interests of a Senator's spouse or of any dependent children submitted in accordance with paragraph (1) shall be maintained in a separate part of the Register and shall remain confidential to the Committee of Senators' Interests except where the Committee considers that a conflict of interest arises, at which time the Committee may table the declaration.

Registrable interests

3. That the statement of a Senator's registrable interests to be provided by a Senator shall include the registrable interests of which the Senator is aware of the Senator's spouse and of any children who are wholly or mainly dependent on the Senator for support, and shall cover the following matters:
- (a) shareholdings in public and private companies (including holding companies) indicating the name of the company or companies;
 - (b) family and business trusts and nominee companies:
 - (i) in which a beneficial interest is held, indicating the name of the trust and the nature of its operation and beneficial interest, and
 - (ii) in which the Senator, the Senator's spouse, or a child who is wholly or mainly dependent on the Senator for support, is a trustee (but not including a trustee of an estate where no beneficial interest is held by the Senator, the Senator's spouse or dependent children), indicating the name of the trust, the nature of its operation and the beneficiary of the trust;
 - (c) real estate, including the location (suburb or area only) and the purpose for which it is owned;
 - (d) registered directorships of companies;
 - (e) partnerships, indicating the nature of the interests and the activities of the partnership;
 - (f) liabilities, indicating the nature of the liability and the creditor concerned;
 - (g) the nature of any bonds, debentures and like investments;
 - (h) saving or investment accounts, indicating their nature and the name of the bank or other institutions concerned;
 - (i) the nature of any other assets (excluding household and personal effects) each valued at more than \$5 000;
 - (j) the nature of any other substantial sources of income;
 - (k) gifts valued at more than \$500 received from official sources (such sources being an Australian or foreign national, State, provincial or local Government or a person holding an office in such a Government) or at \$200 or more where received from other than official sources, provided that a gift received by a Senator, the Senator's spouse or dependent children from family members or personal friends in a purely personal capacity need not be registered unless the Senator judges that an appearance of conflict of interest may be seen to exist;
 - (l) any sponsored travel or hospitality received where the value of the sponsorship or hospitality exceeds \$200;
 - (m) being an officeholder of or financial contributor donating \$200 or more in any single calendar year to any organisation; and
 - (n) any other interests where a conflict of interest with a Senator's public duties could foreseeably arise or be seen to arise.

Register and Registrar of Senators' Interests

4. That:

- (a) at the commencement of each Parliament, and at other times as necessary, the President shall appoint an officer of the Department of the Senate as the Registrar of Senators' Interests and that officer shall also be Secretary of the Committee of Senators' Interests;
- (b) the Registrar of Senators' Interests shall, in accordance with procedures determined by the Committee of Senators' Interests, maintain a Register of Senators' Interests in a form to be determined by that Committee from time to time;
- (c) as soon as possible after the commencement of each Parliament, the Chairman of the Committee of Senators' Interests shall table in the Senate a copy of the completed Register of Senators' Interests and shall also table every six months any notification by a Senator of alteration of those interests;
- (d) the Register of Senators' Interests shall be available for inspection by any person under conditions to be laid down by the Committee of Senators' Interests from time to time; and
- (e) that part of the Register of Senators' Interests relating to spouses and dependent children shall remain confidential to the Committee of Senators' Interests as provided for in paragraph 2.

Declaration of interest in debate and other proceedings

5. That, notwithstanding the lodgment by a senator of a statement of the senator's registrable interests and the registrable interests of which the senator is aware (a) of the senator's spouse; and (b) of any children who are wholly or mainly dependent on the senator for support, and the incorporation of that statement in a Register of Senators' Interests, a senator shall declare any relevant interest:

- (a) at the beginning of his or her speech if the senator participates in debate in the Senate, committee of the whole Senate, or a committee of the Senate or of the Senate and the House of Representatives, and
- (b) as soon as practicable after a division is called for in the Senate, committee of the whole Senate, or a committee of the Senate or of the Senate and the House of Representatives, if the senator proposes to vote in that division;

and the declaration shall be recorded and indexed in the *Journals of the Senate* or minutes of proceedings of the committee and in any Hansard report of those proceedings or that division, but it shall not be necessary for a senator to declare an interest when directing a question seeking information in accordance with standing order 72 or 74.

Interpretation

6.(1) For the purposes of paragraphs 1 to 5 of this resolution "spouse" includes de facto spouse.

- (2) "De facto spouse" means a person who is living with another person of the opposite sex as the spouse of that other person on a *bona fide* domestic basis although not legally married to that other person.

(Resolution adopted 17 March 1994; amended 21 June 1995)

THE SENATE
COMMITTEE OF SENATORS' INTERESTS

Resolution of the Senate, adopted 17 March 1994

Committee of Senators' Interests

That the standing orders be amended by adopting the following new standing order—

- 22A. (1) A Committee of Senators' Interests shall be appointed at the commencement of each Parliament:
- (a) to inquire into and report upon the arrangements made for the compilation, maintenance and accessibility of a Register of Senators' Interests;
 - (b) to consider any proposals made by Senators and others as to the form and content of the Register;
 - (c) to consider any submissions made in relation to the registering or declaring of interests;
 - (d) to consider what classes of person, if any, other than Senators ought to be required to register and declare their interests; and
 - (e) to make recommendations upon these and any other matters which are relevant.
- (2) (a) The membership of the Committee shall as closely as possible reflect the composition of the Senate and, until modified by a subsequent resolution, shall consist of 8 Senators, 3 nominated by the Leader of the Government in the Senate, 4 nominated by the Leader of the Opposition in the Senate and 1 nominated by any minority groups or independent Senators.
- (b) The nominations of the minority groups or independent Senators shall be determined by agreement between the minority groups and independent Senators and, in the absence of agreement duly notified to the President, the question of the representation on the Committee shall be determined by the Senate.
- (3) The Committee shall elect one of its members as Chairman and, in the absence of a majority decision in such an election duly notified to the President, the question of the election of the Chairman shall be determined by the Senate.
- (4) The quorum of the Committee shall be 3 members.
- (5) The Chairman may from time to time appoint a member of the Committee to be Deputy Chairman, and the member so appointed shall act as Chairman of the Committee when there is no Chairman or the Chairman is not present at a meeting of the Committee.
- (6) Where votes on a question before the Committee are equally divided, the Chairman, or the Deputy Chairman when acting as Chairman, shall have a casting vote.
- (7) The Committee shall have power to send for persons or documents, but shall not exercise that power, nor undertake an investigation of the private interests of any person, except in accordance with a decision agreed to by not less than 3 members of the Committee other than the Chairman.
- (8) The Committee shall have power to confer with a similar committee of the House of Representatives.
- (9) The Committee shall, as soon as practicable after 31 December in each year, prepare and table in the Senate a report on its operations during that year, and shall also have power to report from time to time.

Since I last reported in relation to Janfern Superannuation Trust, of which I am a trustee, the Trust has purchased additional shares in Bank of Queensland and CSR and has acquired new holdings in Metway Bank (shares and converting preference shares) and QUF Industries. Janfern Superannuation Trust now has holdings in the following companies:

Bank of Queensland	Metway Bank
