QUESTION ON NOTICE

Additional Estimates 2023 - 2024

Infrastructure, Transport, Regional Development, Communications and the Arts

Committee Question Number: 37

Departmental Question Number: SQ24-000035

Division/Agency Name: Agency - Airservices Australia

Hansard Reference: Spoken, Page No. 64 (12 February 2024)

Topic: Airservices - Air Traffic Controller Numbers in the last five financial years

Senator Raff Ciccone asked:

Senator CICCONE: [...] Can I go back to an earlier topic, with regard to the hiring of air traffic controllers. Senator White also had some questions, but she is not here today. Talk us through some of the issues that Airservices has in terms of the staffing with ATCs. Can you provide me with some figures on how many ATCs there are in the current financial year and the last five financial years? Have you got those figures handy?

Mr Harfield: I can provide this last calendar year. I will put it into financial years.

Senator CICCONE: Whatever works, financial or calendar.

Mr Harfield: We will be able to provide that.

Answer:

Number of Full Time Equivalent (FTE) Air Traffic Controllers (ATCs)

	2019*	2020*	2021*	2022*	2023*
Total FTE**	970	985	944	925	948

* As at 31 December

**Total includes ATCs who hold a licence, who are operational or have the ability to return to operational rosters. This includes ATCs seconded to other roles, long-term sick leave or long service leave etc.
