Question:

How many times has the funding for GovERP and Edge Capabilities projects been increased?
And by how much on each occasion?

Answer:

In 2019-20, \$31.5 million was allocated from the Modernisation Fund to the Department of Finance to commence work on a whole of government GovERP prototype.

In the 2021-22 Budget, funding of \$246.1 million over two years was provided to Services Australia to finalise the build of the whole of government prototype/template, establish the Technology Hub and operate the GovERP platform.

No specific funding has been provided to Edge Capability projects.
