**Community Affairs Committee, Health Portfolio**

**Senator Deborah O'Neill:** asked the Department of Health on 23 October 2019—

Ms Beauchamp: In terms of updated figures on how many people have opted out of My Health Record and what participation rate it represents, I've just got a summary to provide as well, and that is certainly in line with the public commentary and our previous questions on notice that, whilst the opt-out period has finished now, certainly over 90 per cent of people have a My Health Record now. In terms of medical benefits, GP bulk-billing rates and specialist bulk-billing, we have provided a summary of each state and territory GP bulk-billing rates, the percentage of patients who have all GP services bulk-billed, the average out-of-pockets and the same for specialists. But what we haven't done-and I'll take this on notice-is provided it by electorate. That is the only piece of work that is outstanding in response to your letter.

Senator O'NEILL: Thank you. And 4.3? Ms Beauchamp: We can certainly table that in terms of all the progress on the PBAC recommendations since 2013.

Senator O'NEILL: I want to express my thanks for the work that you did in providing that. Could I get an indication of when you might be completing the work by electorate?

Ms Beauchamp: It should be in the next few days. Senator O'NEILL: Excellent. I notice you're going to provide me with a hard copy, but do you also have a soft copy you could provide? Ms Beauchamp: I haven't personally got a soft copy. I've only got the big hard copies. They are very large spreadsheets. Senator O'NEILL: They are. If you could forward that to my public address, senator.o'neill@aph.gov.au? Ms Beauchamp: Through the committee secretary?
