- (1) recognises the importance of affordable, quality child care for Australian parents;

- (3) condemns the Howard Government for its massive attacks on child care and notes that in the course of the first Howard Government childcare funding was slashed by a total of \$800 million; and

- (2) recognises the damage caused to the nation's social fabric by ill-informed and emotive comments on the nation's immigration program;
- (3) notes that population growth is ultimately a product of fertility rates and levels of net immigration, while acknowledging that Australia has a limited carrying capacity, both ecologically and economically;
- (4) notes that without a population policy Australia risks a continuation of the divisive scapegoating of minority ethnic groups; and
- (5) calls for the convening of a national population forum to consider and propose a population policy for Australia and the social and concrete infrastructure required to sustain that population. (*Notice given 24 November 1998. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 29 March 1999.*)

- (3) notes the history of failed attempts to amalgamate the parliamentary departments dating back to 1910 that have failed because of either political factors or bureaucratic opposition to change;
 - (4) notes the reported savings made by several Commonwealth agencies, including the Departments of Defence and the Prime Minister and Cabinet, by the use of organisational restructuring and competitive tendering and contracting arrangements for the provision of corporate support services;
