PRIVATE MEMBERS' BUSINESS—continued**Notice given for Wednesday, 12 May 1999**

*1 **DR THEOPHANOUS:** To move—That this House, noting that:

- (1) the administration of the visitors' visa program is a matter of serious concern to a large number of Members of Parliament, especially the impression created that there is discrimination with respect to particular countries, such as China, Turkey, Lebanon, Vietnam and India;
- (2) representatives of the tourism industry and ethnic communities have expressed great concern about this matter in a number of public forums;
- (3) the Department of Immigration and Multicultural Affairs attempts to justify its discriminatory practices based on an assessment of risk factors which rely on a specific definition of non-returnees; and
- (4) this definition of non-returnees is open to challenge as is demonstrated in the material provided by the Member for Calwell to the Minister for Immigration and Multicultural Affairs—

calls upon the Minister for Immigration and Multicultural Affairs to initiate an inquiry into the administration of the visitors' visa program which would include:

- (a) an assessment of the various categories which go into the definition of non-returnees and whether those categories legitimately apply;
- (b) an overall assessment of all the countries which are listed under the risk factor in the light of any re-evaluation of the non-returnees category; and
- (c) an evaluation of the practices of the Department of Immigration and Multicultural Affairs with respect to the administration of visitors' visas, including any misuse of the powers granted to officers in relation to visitors' visas. (*Notice given 11 May 1999.*)

- (1) recognises the importance of affordable, quality child care for Australian parents;
- (2) deplores the lack of childcare facilities available to Members, Senators and staff working at Parliament House, noting that this lack of workplace child care has led to increased difficulties for parents working at Parliament House following the Coalition's attacks on child care over the past 3 years;
- (3) condemns the Howard Government for its massive attacks on child care and notes that in the course of the first Howard Government childcare funding was slashed by a total of \$800 million; and
- (4) expresses its concern that these cuts have resulted in fee rises, the closure of childcare centres and women being forced out of the paid workforce, instead of providing families with a choice about how they care for their children. (*Notice given 12 November 1998. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 31 May 1999.*)

- 2 **MR MOSSFELD:** To move—That this House:
- (1) notes the decline in home ownership in Australia;
 - (2) agrees to refer the issue of declining home ownership to the Standing Committee on Family and Community Affairs to consider ways of increasing home ownership in Australia; and
 - (3) determines that, as well as the general reference; the standing committee inquire into the feasibility of the use of the family payment for the purpose of the deposit for a first family home and particularly examine how this might assist low income families to purchase their own home. (*Notice given 12 November 1998. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 31 May 1999.*)

 - (2) recognises the damage caused to the nation's social fabric by ill-informed and emotive comments on the nation's immigration program;
 - (3) notes that population growth is ultimately a product of fertility rates and levels of net immigration, while acknowledging that Australia has a limited carrying capacity, both ecologically and economically;
 - (4) notes that without a population policy Australia risks a continuation of the divisive scapegoating of minority ethnic groups; and
 - (5) calls for the convening of a national population forum to consider and propose a population policy for Australia and the social and concrete infrastructure required to sustain that population. (*Notice given 24 November 1998. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 31 May 1999.*)

- (1) acknowledges the importance of the 50th anniversary of the Universal Declaration of Human Rights and reaffirms the commitment of the Australian people to that Declaration;
 - (2) affirms the principle that those guilty of gross abuses of human rights, especially genocide, torture and arbitrary killing of political opponents should be brought to account before the international community;
 - (3) welcomes, on the basis of this principle, the decision of the British House of Lords not to grant immunity from prosecution to the former Chilean dictator, Augusto Pinochet, who has been accused of many crimes during the period of his reign;
 - (4) calls upon the British Government to now act to expedite the extradition of Mr Pinochet to Spain, where the courts are seeking to prosecute him for such crimes; and

- (4) notes the reported savings made by several Commonwealth agencies, including the Departments of Defence and the Prime Minister and Cabinet, by the use of organisational restructuring and competitive tendering and contracting arrangements for the provision of corporate support services;
- (5) agrees that the Commonwealth Parliament, as the pre-eminent institution of public sector accountability, should have a support structure that meets the requirements of economy, efficiency and effectiveness it expects and demands of all publicly funded agencies;

- (1) notes the high number of self-funded retirees in Australia who are struggling financially at the present time;
