PRIVATE MEMBERS' BUSINESS

Notice given for Tuesday, 10 August 1999

- *1 **MS ROXON:** To move—That the House:
- (1) notes the report of the Joint Select Committee on the Republic Referendum and its bipartisan recommendations;
 - (2) notes the importance of the referendum that goes to our identity as a nation and our system of government;
 - (3) notes that our stable democracy would continue and be strengthened if this referendum question were to be approved by the people of Australia;
 - (4) urges the Prime Minister and all Members of this House, whether monarchists, republicans or direct election supporters, to participate honestly in the referendum campaign; and
 - (5) deplores misleading and mischievous scare campaigns on such an important national issue. (*Notice given 9 August 1999.*)

Notices

- 1 **DR THEOPHANOUS:** To move—That the House:
- (1) views with concern the continuing reductions in net immigration to Australia over the last few years, in particular the impact of these cuts on economic development, family reunion and humanitarian programs;
 - (2) notes that there are now calls for an increase in immigration from a diversity of sectors in the Australian community, such as industry, ethnic community organisations and political leaders;
 - (3) recognises the enduring importance of immigration to the development of Australia and to the maintenance of Australia's multicultural identity; and
 - (4) calls upon the Government to substantially increase immigration in this planning year and to initiate an inquiry to the viability of fixing a five year increased immigration target, as suggested by industry groups and others. (*Notice given 15 February 1999. Notice will be removed from the Notice Paper unless called on on 23 August 1999.*)

- 2 **MRS CROSIO:** To move—That the House:
- (1) notes the high number of self-funded retirees in Australia who are struggling financially at the present time;
 - (2) recognises that the Howard Government's GST will create greater financial hardship for thousands of self-funded retirees because it taxes the essentials of life, will make people receiving low fixed incomes from superannuation or other measures pay the same rate of tax as people on higher incomes and offers inadequate financial compensation; and
 - (3) investigates other means of offering financial assistance and incentive to struggling self-funded retirees distinct from a Goods and Services Tax. *(Notice given 8 March 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 23 August 1999.)*
- 3 **MR WILKIE:** To move—That this House:
- (1) requests the federal Government to introduce a noise amelioration program for the Perth International Airport to address areas currently affected by aircraft noise and bring Perth International Airport within the ambit of the *Aircraft Noise Levy Act 1995* and the *Aircraft Noise Collection Act 1995*; and
 - (2) calls on the Government prior to or contemporaneously with the signing of the Perth International Airport Draft Master Plan to initiate a comprehensive social, economic and environmental study to examine the longer term ramifications of any proposed expansion of the airport with a view to implementing a compensation or other noise amelioration program for areas identified as being affected. *(Notice given 23 March 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 23 August 1999.)*
- 4 **MR PRICE:** To move—That orders of the day Nos. 14, 15, 16, 17, 19 and 20, private Members' business, on the Notice Paper for 31 March 1999, stand referred to the Procedure Committee in conjunction with its inquiry into community involvement in the procedures and practices of the House of Representatives and its committees. *(Notice given 31 March 1999. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 23 August 1999.)*
- 5 **DR THEOPHANOUS:** To move—That this House, noting that:
- (1) the administration of the visitors' visa program is a matter of serious concern to a large number of Members of Parliament, especially the impression created that there is discrimination with respect to particular countries, such as China, Turkey, Lebanon, Vietnam and India;
 - (2) representatives of the tourism industry and ethnic communities have expressed great concern about this matter in a number of public forums;
 - (3) the Department of Immigration and Multicultural Affairs attempts to justify its discriminatory practices based on an assessment of risk factors which rely on a specific definition of non-returnees; and
 - (4) this definition of non-returnees is open to challenge as is demonstrated in the material provided by the Member for Calwell to the Minister for Immigration and Multicultural Affairs—

calls upon the Minister for Immigration and Multicultural Affairs to initiate an inquiry into the administration of the visitors' visa program which would include:

- (a) an assessment of the various categories which go into the definition of non-returnees and whether those categories legitimately apply;
- (b) an overall assessment of all the countries which are listed under the risk factor in the light of any re-evaluation of the non-returnees category; and
- (c) an evaluation of the practices of the Department of Immigration and Multicultural Affairs with respect to the administration of visitors' visas, including any misuse of the powers granted to officers in relation to visitors' visas. (*Notice given 11 May 1999. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 23 August 1999.*)

6 **MR L. D. T. FERGUSON:** To move—That this House:

- (1) notes that a series of entitlement anomalies arising from the Vietnam War remain unresolved despite the Coalition's 1996 election undertakings;
- (2) expresses disappointment that these anomalies were not properly addressed during the Government's secretive and unsatisfactory 1997 and 1998 overseas service reviews;
- (3) welcomes the announcement on 30 March 1999 that an independent panel will review the outcome of the Vietnam End of War List in relation to the six veterans whose awards were downgraded to a Commendation;
- (4) welcomes the announcement on 5 May 1999 that medals and repatriation entitlements for defence service in South East Asia from 1955 to 1975 will be the subject of an independent review;
- (5) requires that this review properly consider all outstanding issues regarding Australian service in Vietnam, including (a) merchant navy service on MV/HMAS Boonaroo and Jeparit, (b) Qantas military charter flights, (c) the provision of medical care by civilian nurses and other health workers and (d) civilians involved in the hazardous transport of vehicle parts to Cambodia, via Saigon (Ho Chi Minh City), as part of American aid projects; and
- (6) seeks an assurance that the review panel will have full access to relevant official records and will provide adequate opportunity for public input by interested organisations. (*Notice given 31 May 1999. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 23 August 1999.*)

7 **MR HARDGRAVE:** To move—That this House acknowledges the value to all Australians of their country's growing trade and friendship with the People's Republic of China. (*Notice given 31 May 1999. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 23 August 1999.*)

8 **MR PRICE:** To move—That the following amendment to the standing orders be adopted for the remainder of this session:

Questions from citizens

148A

- (1) A Member may give notice of a question in terms proposed by a person who lives in the Member's electorate.
 - (2) Notice of a question given under this standing order may show the name of the person who has proposed the question.
 - (3) A Member may not give more than 25 notices of questions under this sessional order in a calendar year.
 - (4) Nothing in this standing order may be taken to mean that a Member must give notice of a question proposed to the Member by a person who lives in the Member's electorate. (*Notice given 1 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 23 August 1999.*)
- 9 **MR BEAZLEY:** To move—That this House notes:
- (1) that the national taxation debate is no longer about 'tax reform' but merely about 'tax change'—and not change for the better;
 - (2) the Coalition-Democrat tax deal will, in the official estimate of the Treasurer, cost at the very least \$20 billion over the first three years of the next century—in terms of the erosion of the Commonwealth budget surplus caused by the ANTS package, as modified by the Australian Democrats;
 - (3) the GST fiasco on food alone will create enormous compliance burdens for 370 000 small businesses, in the estimate of the Tax Commissioner, and will, in the words of the Premier of Victoria, be 'just diabolical' for businesses such as milkbars and small family-run supermarkets; and
 - (4) as a result of the GST food fiasco, the States will be required to keep indefinitely a range of state taxes and duties amounting to \$2.5 billion which the Government promised prior to the last election would be abolished. (*Notice given 3 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 23 August 1999.*)
- 10 **MR FITZGIBBON:** To move—That this House, noting the disproportionate compliance cost impact the Coalition-Democrat GST deal will have on small retailers:
- (1) considers amending the terms of reference of the Joint Select Committee on the Retailing Sector to allow the committee to take into account the way in which the GST deal puts smaller retailers at a further disadvantage vis-à-vis larger retailers; and
 - (2) resolves that:
 - (a) part (a) of the committee's terms of reference should read "the degree of industry concentration within the retailing sector in Australia, with particular reference to the impact of that industry concentration on the ability of small independent retailers to compete fairly in the retail sector both at present and in a post-GST environment";
 - (b) submissions be invited from parties interested in commenting on the issues raised by the expanded terms of reference; and
 - (c) the committee's reporting date be extended to 31 October 1999. (*Notice given 8 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 23 August 1999.*)

11 MR M. J. FERGUSON: To move—That this House:

- (1) acknowledges the success of post war immigration policy but in doing so recognises the importance of maintaining integrity in the immigration system due to the massive contribution new settlers have made to Australia in the past and will continue to make in the future;
- (2) applauds the endeavours of successive governments to maintain the integrity of the immigration system by stopping illegal migrants and seeking to prevent employers employing illegal workers by requiring an employer to request proof of work rights from prospective employees;
- (3) views with the utmost concern the activities of people smugglers, who take money from people trying to enter Australia illegally, knowing that the people will be detained and sent back with nothing to show for their money;
- (4) supports the need to return people who have no legal rights to be in Australia whilst continuing to honour the nation's international protection of refugee obligations;
- (5) welcomes the bipartisan manner in which the Parliament facilitated the temporary safe haven given in Australia to Kosovars; and
- (6) rejects any suggestion that there will be an amnesty for illegals coming to Australia and reaffirms the commitment of the Australian Parliament to prosecute to the fullest those in any way engaged in people smuggling. *(Notice given 9 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 23 August 1999.)*

12 MR MOSSFIELD: To move—That this House:

- (1) acknowledges the importance of the construction of the Western Sydney Orbital Road System to the economic and social development of Western Sydney;
- (2) acknowledges the importance of road transport access that diminishes interference with road users in local communities;
- (3) recognises that in heavily developed regions such as Western Sydney, the speedy access by road transport to local business developments is vital in assisting productivity and business growth;
- (4) notes the policy commitment of successive governments to build the Western Sydney Orbital Road System;
- (5) acknowledges that only minimum funding has ever been set aside for the building of the Western Sydney Orbital Road System and that conditions of construction have included the building of a second airport at Badgerys Creek; and
- (6) calls on the federal Government to listen to and act upon the many calls from affected residents, business groups, business development committees, local government spokespersons and other interested parties in Western Sydney and urgently provide sufficient funding to enable the NSW Government to combine in partnership with the Commonwealth to commence immediate construction of the whole Western Sydney Orbital Road System. *(Notice given 10 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 23 August 1999.)*

13 **MR BEAZLEY:** To move—That this House, noting with concern that:

- (1) the Oakdale colliery in New South Wales has been shut down reportedly because of the company's insolvency, with the result that 125 employees have lost their jobs;
- (2) these employees have lost not only their jobs but also many of the termination and other payments to which they were entitled;
- (3) the Oakdale incident is only one of a number of similar developments over the past three years which have affected more than 3000 employees with termination entitlements totalling more than \$35 million; and
- (4) the review of possible ways to deal with the effect of company insolvency on employee entitlements initiated by the Government more than one year ago is still not completed—

calls on the Government to arrange that the House proceed with the utmost urgency with passage of the Employee Protection (Wage Guarantee) Bill 1999, which is the only effective mechanism on offer at this time to resolve a severe and immediate threat to the livelihood and security of many working Australians and their families. *(Notice given 21 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 23 August 1999.)*

14 **MR PYNE:** To move—That the House:

- (1) reaffirms the fundamental principles of human rights that must be practised by the entire international community;
- (3) condemns the false arrest and imprisonment of thirteen Iranian Jews on spurious espionage charges; and
- (4) calls upon Iranian authorities to immediately release the falsely imprisoned Iranian Jews. *(Notice given 21 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 23 August 1999.)*

15 **MRS CROSIO:** To move—That the House:

- (1) notes with concern that the Environmental Impact Study (EIS) of the Badgerys Creek Airport proposal does not contain an examination of the extent to which a very fast train link between Sydney and Canberra—and eventually from Canberra to Melbourne—would reduce domestic air traffic at Sydney's Kingsford-Smith Airport and therefore negate the need to make an immediate decision on building a second international airport in the Sydney basin;
- (2) recognises that building a 24-hour international airport at Badgerys Creek will attract an estimated 77 000 extra daily vehicle movements on western Sydney's already congested roads and the disastrous economic, social and environmental problems that such a traffic explosion would cause;
- (3) notes with concern that the EIS auditor, the Snowy Mountains Engineering Corporation (SMEC), has revealed that a cost-benefit analysis of the Badgerys Creek Airport proposal does not support the construction of an airport at this site;

- (4) acknowledges that building a 24-hour international airport at Badgerys Creek will endanger the Greater Blue Mountains area being declared a World Heritage site; and
- (5) recognises that 10 of the 11 councils that will be affected by the proposed Badgerys Creek airport and both the NSW State Government and Opposition are against the airport's development. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.*)

16 **MR PRICE:** To move—That the House:

- (1) notes with concern the Government's apparent lack of concern regarding the economic, social and environmental impacts of the proposed development of a 24-hour airport at Badgerys Creek;
- (2) recognises that the residents of Mount Druitt, Rooty Hill, Whalan, Tregear, Emerton, Dharruk, Hebersham, Oxley Park, St Clair, St Marys, Plumpton, Doonside, Minchinbury, Shalvey, Willmot, Bidwell, Blackett, Hassall Grove, Glendenning, Marsden Park, Lethbridge Park, Colyton, Erskine Park, Eastern Creek and Blacktown will be adversely affected by the construction of the airport;
- (3) notes that the State Government, State Opposition and 10 Western Sydney Councils are opposed to the construction of an airport on this site;
- (4) acknowledges that alternative sites for an airport have not been fully investigated;
- (5) acknowledges that alternative options for a more efficient use of existing Sydney airports have not been fully investigated;
- (6) acknowledges that the draft Environmental Impact Study (EIS) is fundamentally flawed in regards to its terms of reference and its outcomes;
- (7) recognises that the full EIS has not been an open and transparent process; and
- (8) regrets the failure of the Government to release the final EIS. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.*)

17 **MRS IRWIN:** To move—That the House:

- (1) notes that during the 1996 election campaign, the Government promised the people of Western Sydney an open, transparent and accountable process in determining the future for the Badgerys Creek airport site;
- (2) notes with concern that the release of the final Environmental Impact Study (EIS) of the Badgerys Creek airport has been continually delayed by the Government, despite its stated intentions to release it, in clear breach of their election promises;
- (3) acknowledges that the residents of Ashcroft, Bonnyrigg, Busby, Cabramatta, Cabramatta West, Canley Heights, Canley Vale, Cartwright, Edensor Park, Green Valley, Heckenberg, Hinchinbrook, Lansvale, Liverpool, Miller, Mt Pritchard, Sadleir, St Johns Park, Warwick Farm and Wakely have the right to be fully informed of the impact of the construction of a 24-hour international airport at Badgerys Creek;

- (4) recognises that 10 Western Sydney councils, the State Government and the State Opposition are opposed to the construction of the Badgerys Creek airport;
- (5) acknowledges the growing concern by the people of Western Sydney about the potential impact of the airport and their falling confidence levels in the EIS process and the manner in which the Government is handling the development of Sydney's second airport; and
- (6) recognises that the Government has failed to examine in detail alternative proposals to Badgerys Creek for the second airport's location and alternative proposals for more efficient use of existing airport infrastructure in Sydney. *(Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.)*

18 **MR L. D. T. FERGUSON:** To move—That the House:

- (1) recognises that building a 24-hour international airport at Badgerys Creek will unfairly shift many of the environmental and social problems currently facing the residents living in the vicinity of Sydney's Kingsford-Smith Airport on to the residents of western Sydney;
- (2) notes that by the time an international airport built at Badgerys Creek is fully operative, the population in Sydney's greater west that will surround the development and be affected by its operations will have reached close to 2 million;
- (3) notes the already high levels of air pollution endured by the people of western Sydney and the increasing rates of respiratory illness suffered by the area's population and that a 24-hour international airport at Badgerys Creek would only exacerbate the problem; and
- (4) questions the suggested job growth figures that will eventuate following the development of an airport at Badgerys Creek. *(Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.)*

19 **MR MOSSFIELD:** To move—That the House:

- (1) notes the ongoing opposition by local residents to the building of an airport at Badgerys Creek by many Western Sydney MPs including Government and Opposition parties and local government groups;
- (2) notes that opposition to the proposed airport was made a key issue in most Western Sydney electorates by all party candidates during the last federal election;
- (3) recognises that the serious and justifiable concerns expressed by residents of inner Sydney to the noise and pollution effects caused by Kingsford-Smith Airport cannot be solved by simply moving the whole problem out to and onto Western Sydney residents;
- (4) acknowledges that both the NSW Carr Government and the Chikarovski Opposition oppose the building of an airport at Badgerys Creek;
- (5) challenges the claim of massive job creation by any such building of Badgerys Creek and declares that existing employees would merely transfer their worksite from Kingsford-Smith to Badgerys Creek; and

- (6) calls on the Government to quickly abandon the Badgerys Creek airport proposal and place any new second airport outside the Sydney basin. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.*)
- 20 **MR K. J. THOMSON:** To move—That the House:
- (1) following the findings of the Dawson Royal Commission into the Longford gas explosion, condemns the Kennett Government for its failure to give legislative backing to the National Standard for Control of Major Hazard Facilities;
 - (2) notes that if the Kennett Government had passed legislation as the federal and Western Australian Governments have done the disaster may well have been averted;
 - (3) notes that the Oil and Gas platforms in Bass Strait are the subject of the national standard but not Longford, which is only 120 kilometres away, because it is under State jurisdiction; and
 - (4) condemns the Kennett Government for contributing to the Longford tragedy by failing to implement workplace safety reform. (*Notice given 30 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.*)
- 21 **MR PYNE:** To move—That this House directs the Joint Standing Committee on Foreign Affairs, Defence and Trade to specifically inquire into and report on the question of religious persecution in Iran, including the prosecution of the thirteen imprisoned Jews, as part of the committee's present inquiry into Australia's efforts to protect and promote freedom of religion and belief. (*Notice given 30 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.*)
- 22 **MRS GASH:** To move—That the House:
- (1) understands the need to work towards addressing the needs of people with disabilities and their carers throughout Australia;
 - (2) recognises the particular difficulties for people with disabilities and their carers and the need for respite care services and facilities in regions such as Gilmore and Macquarie;
 - (3) welcomes the federal Government's specific commitment of over \$1.7 billion to the Commonwealth/State Disability Agreement to assist them in their primary areas of responsibility and to increase the support for carers of people with disabilities; and
 - (4) calls on governments at all levels to cooperate with one another to identify, fund and maintain services and facilities for respite care for people with disabilities and their carers. (*Notice given 30 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 23 August 1999.*)
