PRIVATE MEMBERS' BUSINESS

Notice given for Tuesday, 12 October 1999

*1 **MR ALBANESE:** To move—That this House:

- (1) applauds the actions of South Sydney rugby league supporters in demonstrating their support for South Sydney to remain in the National Rugby League competition;
- (2) notes that South Sydney are financially sound, have superb facilities at the Sydney Football Stadium, have an enormous support base and an outstanding junior team development structure;
- (3) notes that to abandon any sense of history, spirit and community involvement will destroy rugby league;
- (4) recognises that local institutions play a central role in defining a sense of community and giving our youth role models to aspire to; and
- (5) calls on the National Rugby League to include South Sydney in any future competition. (*Notice given 11 October 1999.*)

Notices

1 **MR BEAZLEY:** To move—That this House notes:

- (1) that the national taxation debate is no longer about 'tax reform' but merely about 'tax change'—and not change for the better;
- (2) the Coalition-Democrat tax deal will, in the official estimate of the Treasurer, cost at the very least \$20 billion over the first three years of the

next century—in terms of the erosion of the Commonwealth budget surplus caused by the ANTS package, as modified by the Australian Democrats;

- (3) the GST fiasco on food alone will create enormous compliance burdens for 370 000 small businesses, in the estimate of the Tax Commissioner, and will, in the words of the Premier of Victoria, be ‘just diabolical’ for businesses such as milkbars and small family-run supermarkets; and
- (4) as a result of the GST food fiasco, the States will be required to keep indefinitely a range of state taxes and duties amounting to \$2.5 billion which the Government promised prior to the last election would be abolished.
(*Notice given 3 June 1999. Notice will be removed from the Notice Paper unless called on on 18 October 1999.*)

2 **MR FITZGIBBON:** To move—That this House, noting the disproportionate compliance cost impact the Coalition-Democrat GST deal will have on small retailers:

- (1) considers amending the terms of reference of the Joint Select Committee on the Retailing Sector to allow the committee to take into account the way in which the GST deal puts smaller retailers at a further disadvantage vis-à-vis larger retailers; and
- (2) resolves that:
 - (a) part (a) of the committee’s terms of reference should read “the degree of industry concentration within the retailing sector in Australia, with particular reference to the impact of that industry concentration on the ability of small independent retailers to compete fairly in the retail sector both at present and in a post-GST environment”;
 - (b) submissions be invited from parties interested in commenting on the issues raised by the expanded terms of reference; and
 - (c) the committee’s reporting date be extended to 31 October 1999.
(*Notice given 8 June 1999. Notice will be removed from the Notice Paper unless called on on 18 October 1999.*)

3 **MR M. J. FERGUSON:** To move—That this House:

- (1) acknowledges the success of post war immigration policy but in doing so recognises the importance of maintaining integrity in the immigration system due to the massive contribution new settlers have made to Australia in the past and will continue to make in the future;
- (2) applauds the endeavours of successive governments to maintain the integrity of the immigration system by stopping illegal migrants and seeking to prevent employers employing illegal workers by requiring an employer to request proof of work rights from prospective employees;
- (3) views with the utmost concern the activities of people smugglers, who take money from people trying to enter Australia illegally, knowing that the people will be detained and sent back with nothing to show for their money;
- (4) supports the need to return people who have no legal rights to be in Australia whilst continuing to honour the nation’s international protection of refugee obligations;
- (5) welcomes the bipartisan manner in which the Parliament facilitated the temporary safe haven given in Australia to Kosovars; and

- (6) rejects any suggestion that there will be an amnesty for illegals coming to Australia and reaffirms the commitment of the Australian Parliament to prosecute to the fullest those in any way engaged in people smuggling. *(Notice given 9 June 1999. Notice will be removed from the Notice Paper unless called on on 18 October 1999.)*

4 **MR MOSSFIELD:** To move—That this House:

- (1) acknowledges the importance of the construction of the Western Sydney Orbital Road System to the economic and social development of Western Sydney;
- (2) acknowledges the importance of road transport access that diminishes interference with road users in local communities;
- (3) recognises that in heavily developed regions such as Western Sydney, the speedy access by road transport to local business developments is vital in assisting productivity and business growth;
- (4) notes the policy commitment of successive governments to build the Western Sydney Orbital Road System;
- (5) acknowledges that only minimum funding has ever been set aside for the building of the Western Sydney Orbital Road System and that conditions of construction have included the building of a second airport at Badgerys Creek; and
- (6) calls on the federal Government to listen to and act upon the many calls from affected residents, business groups, business development committees, local government spokespersons and other interested parties in Western Sydney and urgently provide sufficient funding to enable the NSW Government to combine in partnership with the Commonwealth to commence immediate construction of the whole Western Sydney Orbital Road System. *(Notice given 10 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 18 October 1999.)*

5 **MR BEAZLEY:** To move—That this House, noting with concern that:

- (1) the Oakdale colliery in New South Wales has been shut down reportedly because of the company's insolvency, with the result that 125 employees have lost their jobs;
- (2) these employees have lost not only their jobs but also many of the termination and other payments to which they were entitled;
- (3) the Oakdale incident is only one of a number of similar developments over the past three years which have affected more than 3000 employees with termination entitlements totalling more than \$35 million; and
- (4) the review of possible ways to deal with the effect of company insolvency on employee entitlements initiated by the Government more than one year ago is still not completed—

calls on the Government to arrange that the House proceed with the utmost urgency with passage of the Employee Protection (Wage Guarantee) Bill 1999, which is the only effective mechanism on offer at this time to resolve a severe and immediate threat to the livelihood and security of many working Australians

and their families. (*Notice given 21 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 18 October 1999.*)

6 MRS CROSIO: To move—That the House:

- (1) notes with concern that the Environmental Impact Study (EIS) of the Badgerys Creek Airport proposal does not contain an examination of the extent to which a very fast train link between Sydney and Canberra—and eventually from Canberra to Melbourne—would reduce domestic air traffic at Sydney's Kingsford-Smith Airport and therefore negate the need to make an immediate decision on building a second international airport in the Sydney basin;
- (2) recognises that building a 24-hour international airport at Badgerys Creek will attract an estimated 77 000 extra daily vehicle movements on western Sydney's already congested roads and the disastrous economic, social and environmental problems that such a traffic explosion would cause;
- (3) notes with concern that the EIS auditor, the Snowy Mountains Engineering Corporation (SMEC), has revealed that a cost-benefit analysis of the Badgerys Creek Airport proposal does not support the construction of an airport at this site;
- (4) acknowledges that building a 24-hour international airport at Badgerys Creek will endanger the Greater Blue Mountains area being declared a World Heritage site; and
- (5) recognises that 10 of the 11 councils that will be affected by the proposed Badgerys Creek airport and both the NSW State Government and Opposition are against the airport's development. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 18 October 1999.*)

7 MR PRICE: To move—That the House:

- (1) notes with concern the Government's apparent lack of concern regarding the economic, social and environmental impacts of the proposed development of a 24-hour airport at Badgerys Creek;
- (2) recognises that the residents of Mount Druitt, Rooty Hill, Whalan, Tregear, Emerton, Dharruk, Hebersham, Oxley Park, St Clair, St Marys, Plumpton, Doonside, Minchinbury, Shalvey, Willmot, Bidwell, Blackett, Hassall Grove, Glendenning, Marsden Park, Lethbridge Park, Colyton, Erskine Park, Eastern Creek and Blacktown will be adversely affected by the construction of the airport;
- (3) notes that the State Government, State Opposition and 10 Western Sydney Councils are opposed to the construction of an airport on this site;
- (4) acknowledges that alternative sites for an airport have not been fully investigated;
- (5) acknowledges that alternative options for a more efficient use of existing Sydney airports have not been fully investigated;
- (6) acknowledges that the draft Environmental Impact Study (EIS) is fundamentally flawed in regards to its terms of reference and its outcomes;
- (7) recognises that the full EIS has not been an open and transparent process; and

- (8) regrets the failure of the Government to release the final EIS. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 18 October 1999.*)

8 **MRS IRWIN:** To move—That the House:

- (1) notes that during the 1996 election campaign, the Government promised the people of Western Sydney an open, transparent and accountable process in determining the future for the Badgerys Creek airport site;
- (2) notes with concern that the release of the final Environmental Impact Study (EIS) of the Badgerys Creek airport has been continually delayed by the Government, despite its stated intentions to release it, in clear breach of their election promises;
- (3) acknowledges that the residents of Ashcroft, Bonnyrigg, Busby, Cabramatta, Cabramatta West, Canley Heights, Canley Vale, Cartwright, Edensor Park, Green Valley, Heckenberg, Hinchinbrook, Lansvale, Liverpool, Miller, Mt Pritchard, Sadleir, St Johns Park, Warwick Farm and Wakely have the right to be fully informed of the impact of the construction of a 24-hour international airport at Badgerys Creek;
- (4) recognises that 10 Western Sydney councils, the State Government and the State Opposition are opposed to the construction of the Badgerys Creek airport;
- (5) acknowledges the growing concern by the people of Western Sydney about the potential impact of the airport and their falling confidence levels in the EIS process and the manner in which the Government is handling the development of Sydney's second airport; and
- (6) recognises that the Government has failed to examine in detail alternative proposals to Badgerys Creek for the second airport's location and alternative proposals for more efficient use of existing airport infrastructure in Sydney. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 18 October 1999.*)

9 **MR L. D. T. FERGUSON:** To move—That the House:

- (1) recognises that building a 24-hour international airport at Badgerys Creek will unfairly shift many of the environmental and social problems currently facing the residents living in the vicinity of Sydney's Kingsford-Smith Airport on to the residents of western Sydney;
- (2) notes that by the time an international airport built at Badgerys Creek is fully operative, the population in Sydney's greater west that will surround the development and be affected by its operations will have reached close to 2 million;
- (3) notes the already high levels of air pollution endured by the people of western Sydney and the increasing rates of respiratory illness suffered by the area's population and that a 24-hour international airport at Badgerys Creek would only exacerbate the problem; and
- (4) questions the suggested job growth figures that will eventuate following the development of an airport at Badgerys Creek. (*Notice given 24 June 1999.*)

Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 18 October 1999.)

10 **MR MOSSFIELD:** To move—That the House:

- (1) notes the ongoing opposition by local residents to the building of an airport at Badgerys Creek by many Western Sydney MPs including Government and Opposition parties and local government groups;
- (2) notes that opposition to the proposed airport was made a key issue in most Western Sydney electorates by all party candidates during the last federal election;
- (3) recognises that the serious and justifiable concerns expressed by residents of inner Sydney to the noise and pollution effects caused by Kingsford-Smith Airport cannot be solved by simply moving the whole problem out to and onto Western Sydney residents;
- (4) acknowledges that both the NSW Carr Government and the Chikarovski Opposition oppose the building of an airport at Badgerys Creek;
- (5) challenges the claim of massive job creation by any such building of Badgerys Creek and declares that existing employees would merely transfer their worksite from Kingsford-Smith to Badgerys Creek; and
- (6) calls on the Government to quickly abandon the Badgerys Creek airport proposal and place any new second airport outside the Sydney basin. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 18 October 1999.*)

11 **MR K. J. THOMSON:** To move—That the House:

- (1) following the findings of the Dawson Royal Commission into the Longford gas explosion, condemns the Kennett Government for its failure to give legislative backing to the National Standard for Control of Major Hazard Facilities;
- (2) notes that if the Kennett Government had passed legislation as the federal and Western Australian Governments have done the disaster may well have been averted;
- (3) notes that the Oil and Gas platforms in Bass Strait are the subject of the national standard but not Longford, which is only 120 kilometres away, because it is under State jurisdiction; and
- (4) condemns the Kennett Government for contributing to the Longford tragedy by failing to implement workplace safety reform. (*Notice given 30 June 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 18 October 1999.*)

12 **MR DANBY:** To move—That this House requests the Joint Standing Committee on Foreign Affairs, Defence and Trade to specifically inquire into and report on the question of religious persecution in Iran, including the prosecution of the thirteen imprisoned Jews, as part of the committee's present inquiry into Australia's efforts to protect and promote freedom of religion and belief. (*Notice given 30 June 1999; amended 1 September 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 18 October 1999.*)

- 13 **MRS CROSIO:** To move—That the House calls for a parliamentary committee inquiry into the ways and means by which the Commonwealth can advise and assist employees recently made redundant due to the insolvency of their employer, or facing the threat of redundancy, including:
- (1) how to organise themselves into co-operative organisations to either purchase or lease the company for which they work when it becomes insolvent or nears insolvency, if after a rigorous analysis of the company's finances such action is deemed to be prudent, sensible and standing a genuine chance of success and thereby maintain their employment;
 - (2) how to make the required reforms to the financial structure of the company in question in order to make it economically viable; and
 - (3) what management training programs may be necessary in order for employees to successfully administer their business and avoid insolvency in the future. (*Notice given 11 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 18 October 1999.*)
- 14 **MR MARTIN:** To move—That the House:
- (1) notes the extreme hardship that will be caused to Australia's Defence Force personnel as a result of the new fringe benefits tax (FBT) reporting regime put in place as part of the Government's new tax system;
 - (2) notes that the Government has decided to only exempt a few of the fringe benefits and allowances that Australian Defence Force (ADF) personnel receive from the new FBT reporting regime;
 - (3) notes the unique and harsh conditions that ADF personnel work under and the fact that the ADF is not an ordinary workforce and has never been treated that way by previous governments; and
 - (4) calls on the Government to recognise the unique status of the ADF and to therefore exempt all ADF personnel from FBT reporting requirements in respect of the conditions and benefits they receive because of their service in the armed forces. (*Notice given 24 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 18 October 1999.*)
- 15 **MR ANDREN:** To move—That the House:
- (1) notes the report of the National Inquiry into Children and the Legal Process in 1997 entitled "Seen and Heard", undertaken jointly by the Human Rights and Equal Opportunity Commission and the Australian Law Reform Commission, and its recommendation that Federal legislation be enacted to prohibit the mandatory detention of juvenile offenders;
 - (2) notes the 1998 report of the Joint Standing Committee on Treaties into the United Nations Convention on the Rights of the Child which was critical of mandatory sentencing;
 - (3) further notes the introduction of a private Senator's bill entitled Human Rights (Mandatory Sentencing of Juvenile Offenders) Bill 1999, and its planned reference to the Senate Legal and Constitutional Affairs Committee for a public inquiry; and

- (4) calls on the Government to support the Senate inquiry and to ensure that Australia meets its stated human rights obligations. (*Notice given 24 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 18 October 1999.*)

16 **MR BEAZLEY:** To move—That:

- (1) recalling the Australian people's overwhelming decision in the 1967 Referendum to confer upon the Commonwealth Parliament responsibility for enhancement of the rights and well being of Aboriginal and Torres Strait Islander people;
- (2) reaffirming the abhorrence of racism shared by the Australian people and their Federal and State Governments;
- (3) reaffirming Australia's recognition of the Universal Declaration of Human Rights, the International Convention on the Prevention and Punishment of the Crime of Genocide and the International Convention on the Prevention of All Forms of Racial Discrimination;
- (4) recalling the Parliament's commitment in October 1996 to the principles of racial tolerance; and;
- (5) recognising the profound economic and social disadvantage suffered by Aboriginal and Torres Strait Islander people—

this House:

- (a) affirms that the tabling of "Bringing them Home", the Report of the National Inquiry into the Separation of Aboriginal and Torres Strait Islander Children from their Families, presents the nation with an unprecedented historical opportunity to render justice and restitution to Indigenous Australians, for the good of all Australians;
- (b) acknowledges the immense trauma inflicted upon the Aboriginal and Torres Strait Islander peoples of Australia as a result of the separation of Aboriginal and Torres Strait Islander children from their families under past government policies in place from before the time of Federation until the early 1900s;
- (c) affirms that these racially discriminatory policies and their continuing consequences are a matter of national shame;
- (d) affirms that current and future Federal and State governments are responsible for assisting Aboriginal and Torres Strait Islander people to rectify the ongoing effects of those policies;
- (e) affirms its commitment to a just and proper settlement of the grievances of people adversely affected by those policies; and

on behalf of the nation—

- (f) unreservedly apologises to Aboriginal and Torres Strait Islander Australians for the separation policies;
- (g) calls upon Federal and State Governments to establish, in consultation with the Aboriginal and Torres Strait Islander community, appropriate processes to provide compensation and restitution, including assistance for the reunification of families and counselling services;

- (h) calls on the Federal and State Governments to establish appropriate education programs to enhance community awareness of the history and continuing consequences of past practices and policies of racial discrimination; and
 - (i) calls upon the Federal Government to declare a National Day in recognition and remembrance of the great suffering which flowed from the separation policies, and to affirm our nation's commitment to justice for Indigenous Australians, today and for the future. (*Notice given 25 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 18 October 1999.*)
- 17 **MR HOLLIS:** To move—That the House:
- (1) expresses its sympathy at the loss of life of three Australian AusAID workers in the recent air crash in Fiji;
 - (2) commends AusAID for the work it is performing throughout the South Pacific, especially relating to population and development issues; and
 - (3) calls on the Australian Government to at least maintain current funding, but also consider increased aid for development work in the South Pacific. (*Notice given 26 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 18 October 1999.*)
- 18 **MR MELHAM:** To move—That this House, noting the desire of the Australian community to satisfactorily resolve outstanding issues concerning the stolen generation referred to in the recommendations of the report of the Human Rights and Equal Opportunity Commission entitled *Bringing Them Home*, calls on the Government to:
