**BILL 1999** (*Minister for Employment, Workplace Relations and Small Business*): Second reading—Resumption of debate (*from 14 October 1999—Dr Stone*) on the motion of Mr Reith—That the Bill be now read a second time—*And on the amendment moved thereto by Ms Macklin, viz.—That all words after “That” be omitted with a view to substituting the following words: whilst not declining to give the Bill a second reading the House expresses its concern about the nature of the bill and its contribution to the stripping back of Government support for Australian women and the community organisations that represent them, in particular:*

- (1) the weakening of industrial relations legislation and organisations that aim to improve women’s employment prospects and workplace treatment, particularly through the Workplace Relations Act and reductions in the power of the Australian Industrial Relations Commission;
- (2) the weakening of organisations that exist to provide women with suitable avenues of redress for discrimination, including the Affirmative Action Agency and the Human Rights and Equal Opportunity Commission;
- (3) failure to respond to major reports, particularly the Human Rights and Equal Opportunity Commission Report, *Pregnant and Productive*;
- (4) failure to send appropriate representation to international forums discussing women’s policy, particularly to the recent International Labour Organisation’s conference on maternity leave provisions;
- (5) the weakening of the role of government organisations that aim to improve the sensitivity of government policies to women, particularly the Office of the Status of Women;
- (6) the de-funding of community groups which represent women, including the Girl Guides, the Women’s Electoral Lobby, the Older Women’s Network and the Catholic Women’s League;
- (7) failure to consult with a wide range of women’s organisations, particularly through the reduction in the numbers now attending the national round table consultations;
- (8) cuts to child care, education and health-services which women depend upon to be able to work, to raise a family and to improve their living standards;
- (9) the development of taxation policies which do not deliver an equal benefit to women and which redistribute more of the burden of taxation onto women through the Goods and Services Tax; and
- (10) the de-funding of the social safety net by stealth which impacts significantly on women as women are more dependent upon social security and the Government’s refusal to release a secret welfare discussion paper containing plans to cut payments to sole parents and people with disabilities”.

## PRIVATE MEMBERS' BUSINESS

### Notices given for Tuesday, 19 October 1999

- \*1 **MR DANBY:** To move—That this House notes the failure of the Minister for Employment, Workplace Relations and Small Business to ensure the passing on of the benefits of increased waterfront productivity to Australian importers, exporters and consumers despite a \$250m taxpayer subsidy which appears to have merely provided increased profits to lang Corporation and Patricks with a subsequent increase in their share prices. (*Notice given 18 October 1999.*)
- \*2 **MS HALL:** To move—That this House notes:
- (1) the failure of the Howard Government to address the needs of people living in regional Australia;
  - (2) the lack of knowledge demonstrated by the Government of issues that impact on the daily lives of regional Australians;
  - (3) the failure of the Government to provide jobs, services and adequate health resources to regional Australia; and
  - (4) the betrayal of regional Australia by the Government's inability to differentiate between regional and rural Australia. (*Notice given 18 October 1999.*)
- \*3 **MR SCHULTZ:** To move—That this House notes:
- (1) places on record concern about the continued activity of the NSW Government in relation to the control of Ovine Johne's Disease (OJD) in sheep being without precedent in animal disease control in Australia;
  - (2) notes that as at April 1999 over 900 farms were identified as being affected or suspected of having OJD in rural NSW alone, with most of these properties being in quarantine;
  - (3) further notes the serious economic and social problems being faced by sheep and wool producers because of a growing concern that employment of veterinarians is a greater factor in the current enthusiasm for control than concerns for the disease free status of the industry; and
  - (4) calls on the Federal Government to freeze all funding under the National Ovine Johne's Disease program until such time as an investigation is undertaken into NSW Department of Agriculture procedures to ensure its actions are based on sound scientific and socio-economic grounds. (*Notice given 18 October 1999.*)
- \*4 **MR ALBANESE:** To move—That this House:
- (1) notes the national and international status of Rugby League;

- (2) applauds the actions of rugby league supporters in demonstrating their support for clubs to remain in the National Rugby League (NRL) competition;
  - (3) notes that teams which are financially sound, have superb facilities, a support base and an outstanding junior team development structure are vital to the future survival of rugby league;
  - (4) notes that to abandon any sense of history, spirit and community involvement will destroy Rugby League;
  - (5) recognises that local institutions play a central role in defining a sense of community and giving our youth role models to aspire to.;
  - (6) notes that the Super League/ARL dispute resulted in significant disillusionment from Rugby League supporters and that any forced exclusion of teams will exacerbate this;
  - (7) declares that Rugby League's greatest shareholders are its fans; and
  - (8) calls upon the NRL to include South Sydney in the 2000 competition. *(Notice given 18 October 1999.)*

## Notices

### 1 MR MOSSFIELD: To move—That this House:

- (1) acknowledges the importance of the construction of the Western Sydney Orbital Road System to the economic and social development of Western Sydney;
- (2) acknowledges the importance of road transport access that diminishes interference with road users in local communities;
- (3) recognises that in heavily developed regions such as Western Sydney, the speedy access by road transport to local business developments is vital in assisting productivity and business growth;
- (4) notes the policy commitment of successive governments to build the Western Sydney Orbital Road System;
- (5) acknowledges that only minimum funding has ever been set aside for the building of the Western Sydney Orbital Road System and that conditions of construction have included the building of a second airport at Badgerys Creek; and
- (6) calls on the federal Government to listen to and act upon the many calls from affected residents, business groups, business development committees, local government spokespersons and other interested parties in Western Sydney and urgently provide sufficient funding to enable the NSW Government to combine in partnership with the Commonwealth to commence immediate construction of the whole Western Sydney Orbital Road System. *(Notice given 10 June 1999. Notice will be removed from the Notice Paper unless called on on 22 November 1999.)*

2 **MR BEAZLEY:** To move—That this House, noting with concern that:

- (1) the Oakdale colliery in New South Wales has been shut down reportedly because of the company's insolvency, with the result that 125 employees have lost their jobs;
- (2) these employees have lost not only their jobs but also many of the termination and other payments to which they were entitled;
- (3) the Oakdale incident is only one of a number of similar developments over the past three years which have affected more than 3000 employees with termination entitlements totalling more than \$35 million; and
- (4) the review of possible ways to deal with the effect of company insolvency on employee entitlements initiated by the Government more than one year ago is still not completed—

calls on the Government to arrange that the House proceed with the utmost urgency with passage of the Employee Protection (Wage Guarantee) Bill 1999, which is the only effective mechanism on offer at this time to resolve a severe and immediate threat to the livelihood and security of many working Australians and their families. (*Notice given 21 June 1999. Notice will be removed from the Notice Paper unless called on on 22 November 1999.*)

3 **MRS CROSIO:** To move—That the House:

- (1) notes with concern that the Environmental Impact Study (EIS) of the Badgerys Creek Airport proposal does not contain an examination of the extent to which a very fast train link between Sydney and Canberra—and eventually from Canberra to Melbourne—would reduce domestic air traffic at Sydney's Kingsford-Smith Airport and therefore negate the need to make an immediate decision on building a second international airport in the Sydney basin;
- (2) recognises that building a 24-hour international airport at Badgerys Creek will attract an estimated 77 000 extra daily vehicle movements on western Sydney's already congested roads and the disastrous economic, social and environmental problems that such a traffic explosion would cause;
- (3) notes with concern that the EIS auditor, the Snowy Mountains Engineering Corporation (SMEC), has revealed that a cost-benefit analysis of the Badgerys Creek Airport proposal does not support the construction of an airport at this site;
- (4) acknowledges that building a 24-hour international airport at Badgerys Creek will endanger the Greater Blue Mountains area being declared a World Heritage site; and
- (5) recognises that 10 of the 11 councils that will be affected by the proposed Badgerys Creek airport and both the NSW State Government and Opposition are against the airport's development. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 22 November 1999.*)

4 **MR PRICE:** To move—That the House:

- (1) notes with concern the Government's apparent lack of concern regarding the economic, social and environmental impacts of the proposed development of a 24-hour airport at Badgerys Creek;
- (2) recognises that the residents of Mount Druitt, Rooty Hill, Whalan, Tregear, Emerton, Dharruk, Hebersham, Oxley Park, St Clair, St Marys, Plumpton, Doonside, Minchinbury, Shalvey, Willmot, Bidwell, Blackett, Hassall Grove, Glendenning, Marsden Park, Lethbridge Park, Colyton, Erskine Park, Eastern Creek and Blacktown will be adversely affected by the construction of the airport;
- (3) notes that the State Government, State Opposition and 10 Western Sydney Councils are opposed to the construction of an airport on this site;
- (4) acknowledges that alternative sites for an airport have not been fully investigated;
- (5) acknowledges that alternative options for a more efficient use of existing Sydney airports have not been fully investigated;
- (6) acknowledges that the draft Environmental Impact Study (EIS) is fundamentally flawed in regards to its terms of reference and its outcomes;
- (7) recognises that the full EIS has not been an open and transparent process; and
- (8) regrets the failure of the Government to release the final EIS. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 22 November 1999.*)

5 **MRS IRWIN:** To move—That the House:

- (1) notes that during the 1996 election campaign, the Government promised the people of Western Sydney an open, transparent and accountable process in determining the future for the Badgerys Creek airport site;
- (2) notes with concern that the release of the final Environmental Impact Study (EIS) of the Badgerys Creek airport has been continually delayed by the Government, despite its stated intentions to release it, in clear breach of their election promises;
- (3) acknowledges that the residents of Ashcroft, Bonnyrigg, Busby, Cabramatta, Cabramatta West, Canley Heights, Canley Vale, Cartwright, Edensor Park, Green Valley, Heckenberg, Hinchinbrook, Lansvale, Liverpool, Miller, Mt Pritchard, Sadleir, St Johns Park, Warwick Farm and Wakely have the right to be fully informed of the impact of the construction of a 24-hour international airport at Badgerys Creek;
- (4) recognises that 10 Western Sydney councils, the State Government and the State Opposition are opposed to the construction of the Badgerys Creek airport;
- (5) acknowledges the growing concern by the people of Western Sydney about the potential impact of the airport and their falling confidence levels in the EIS process and the manner in which the Government is handling the development of Sydney's second airport; and

- (6) recognises that the Government has failed to examine in detail alternative proposals to Badgerys Creek for the second airport's location and alternative proposals for more efficient use of existing airport infrastructure in Sydney. *(Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 22 November 1999.)*

6 **MR L. D. T. FERGUSON:** To move—That the House:

- (1) recognises that building a 24-hour international airport at Badgerys Creek will unfairly shift many of the environmental and social problems currently facing the residents living in the vicinity of Sydney's Kingsford-Smith Airport on to the residents of western Sydney;
- (2) notes that by the time an international airport built at Badgerys Creek is fully operative, the population in Sydney's greater west that will surround the development and be affected by its operations will have reached close to 2 million;
- (3) notes the already high levels of air pollution endured by the people of western Sydney and the increasing rates of respiratory illness suffered by the area's population and that a 24-hour international airport at Badgerys Creek would only exacerbate the problem; and
- (4) questions the suggested job growth figures that will eventuate following the development of an airport at Badgerys Creek. *(Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 22 November 1999.)*

7 **MR MOSSFIELD:** To move—That the House:

- (1) notes the ongoing opposition by local residents to the building of an airport at Badgerys Creek by many Western Sydney MPs including Government and Opposition parties and local government groups;
- (2) notes that opposition to the proposed airport was made a key issue in most Western Sydney electorates by all party candidates during the last federal election;
- (3) recognises that the serious and justifiable concerns expressed by residents of inner Sydney to the noise and pollution effects caused by Kingsford-Smith Airport cannot be solved by simply moving the whole problem out to and onto Western Sydney residents;
- (4) acknowledges that both the NSW Carr Government and the Chikarovski Opposition oppose the building of an airport at Badgerys Creek;
- (5) challenges the claim of massive job creation by any such building of Badgerys Creek and declares that existing employees would merely transfer their worksite from Kingsford-Smith to Badgerys Creek; and
- (6) calls on the Government to quickly abandon the Badgerys Creek airport proposal and place any new second airport outside the Sydney basin. *(Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 22 November 1999.)*

8 **MR K. J. THOMSON:** To move—That the House:

- (1) following the findings of the Dawson Royal Commission into the Longford gas explosion, condemns the Kennett Government for its failure to give

legislative backing to the National Standard for Control of Major Hazard Facilities;

- (2) notes that if the Kennett Government had passed legislation as the federal and Western Australian Governments have done the disaster may well have been averted;
  - (3) notes that the Oil and Gas platforms in Bass Strait are the subject of the national standard but not Longford, which is only 120 kilometres away, because it is under State jurisdiction; and
  - (4) condemns the Kennett Government for contributing to the Longford tragedy by failing to implement workplace safety reform. (*Notice given 30 June 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 22 November 1999.*)
- 9 **MR DANBY:** To move—That this House requests the Joint Standing Committee on Foreign Affairs, Defence and Trade to specifically inquire into and report on the question of religious persecution in Iran, including the prosecution of the thirteen imprisoned Jews, as part of the committee's present inquiry into Australia's efforts to protect and promote freedom of religion and belief. (*Notice given 30 June 1999; amended 1 September 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 22 November 1999.*)
- 10 **MRS CROSIO:** To move—That the House calls for a parliamentary committee inquiry into the ways and means by which the Commonwealth can advise and assist employees recently made redundant due to the insolvency of their employer, or facing the threat of redundancy, including:
- (1) how to organise themselves into co-operative organisations to either purchase or lease the company for which they work when it becomes insolvent or nears insolvency, if after a rigorous analysis of the company's finances such action is deemed to be prudent, sensible and standing a genuine chance of success and thereby maintain their employment;
  - (2) how to make the required reforms to the financial structure of the company in question in order to make it economically viable; and
  - (3) what management training programs may be necessary in order for employees to successfully administer their business and avoid insolvency in the future. (*Notice given 11 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 22 November 1999.*)
- 11 **MR MARTIN:** To move—That the House:
- (1) notes the extreme hardship that will be caused to Australia's Defence Force personnel as a result of the new fringe benefits tax (FBT) reporting regime put in place as part of the Government's new tax system;
  - (2) notes that the Government has decided to only exempt a few of the fringe benefits and allowances that Australian Defence Force (ADF) personnel receive from the new FBT reporting regime;
  - (3) notes the unique and harsh conditions that ADF personnel work under and the fact that the ADF is not an ordinary workforce and has never been treated that way by previous governments; and

- (4) calls on the Government to recognise the unique status of the ADF and to therefore exempt all ADF personnel from FBT reporting requirements in respect of the conditions and benefits they receive because of their service in the armed forces. (*Notice given 24 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 22 November 1999.*)

12 **MR ANDREN:** To move—That the House:

- (1) notes the report of the National Inquiry into Children and the Legal Process in 1997 entitled “Seen and Heard”, undertaken jointly by the Human Rights and Equal Opportunity Commission and the Australian Law Reform Commission, and its recommendation that Federal legislation be enacted to prohibit the mandatory detention of juvenile offenders;
- (2) notes the 1998 report of the Joint Standing Committee on Treaties into the United Nations Convention on the Rights of the Child which was critical of mandatory sentencing;
- (3) further notes the introduction of a private Senator’s bill entitled Human Rights (Mandatory Sentencing of Juvenile Offenders) Bill 1999, and its planned reference to the Senate Legal and Constitutional Affairs Committee for a public inquiry; and
