1 **MRS CROSIO:** To move—That the House:

- (1) notes with concern that the Environmental Impact Study (EIS) of the Badgerys Creek Airport proposal does not contain an examination of the

extent to which a very fast train link between Sydney and Canberra—and eventually from Canberra to Melbourne—would reduce domestic air traffic at Sydney's Kingsford-Smith Airport and therefore negate the need to make an immediate decision on building a second international airport in the Sydney basin;

- (2) recognises that building a 24-hour international airport at Badgerys Creek will attract an estimated 77 000 extra daily vehicle movements on western Sydney's already congested roads and the disastrous economic, social and environmental problems that such a traffic explosion would cause;
- (3) notes with concern that the EIS auditor, the Snowy Mountains Engineering Corporation (SMEC), has revealed that a cost-benefit analysis of the Badgerys Creek Airport proposal does not support the construction of an airport at this site;
- (4) acknowledges that building a 24-hour international airport at Badgerys Creek will endanger the Greater Blue Mountains area being declared a World Heritage site; and
- (5) recognises that 10 of the 11 councils that will be affected by the proposed Badgerys Creek airport and both the NSW State Government and Opposition are against the airport's development. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on 6 December 1999.*)

**2 MR PRICE:** To move—That the House:

- (1) notes with concern the Government's apparent lack of concern regarding the economic, social and environmental impacts of the proposed development of a 24-hour airport at Badgerys Creek;
- (2) recognises that the residents of Mount Druitt, Rooty Hill, Whalan, Tregear, Emerton, Dharruk, Hebersham, Oxley Park, St Clair, St Marys, Plumpton, Doonside, Minchinbury, Shalvey, Willmot, Bidwell, Blackett, Hassall Grove, Glendenning, Marsden Park, Lethbridge Park, Colyton, Erskine Park, Eastern Creek and Blacktown will be adversely affected by the construction of the airport;
- (3) notes that the State Government, State Opposition and 10 Western Sydney Councils are opposed to the construction of an airport on this site;
- (4) acknowledges that alternative sites for an airport have not been fully investigated;
- (5) acknowledges that alternative options for a more efficient use of existing Sydney airports have not been fully investigated;
- (6) acknowledges that the draft Environmental Impact Study (EIS) is fundamentally flawed in regards to its terms of reference and its outcomes;
- (7) recognises that the full EIS has not been an open and transparent process; and
- (8) regrets the failure of the Government to release the final EIS. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on 6 December 1999.*)

3 **MRS IRWIN:** To move—That the House:

- (1) notes that during the 1996 election campaign, the Government promised the people of Western Sydney an open, transparent and accountable process in determining the future for the Badgerys Creek airport site;
- (2) notes with concern that the release of the final Environmental Impact Study (EIS) of the Badgerys Creek airport has been continually delayed by the Government, despite its stated intentions to release it, in clear breach of their election promises;
- (3) acknowledges that the residents of Ashcroft, Bonnyrigg, Busby, Cabramatta, Cabramatta West, Canley Heights, Canley Vale, Cartwright, Edensor Park, Green Valley, Heckenberg, Hinchinbrook, Lansvale, Liverpool, Miller, Mt Pritchard, Sadleir, St Johns Park, Warwick Farm and Wakely have the right to be fully informed of the impact of the construction of a 24-hour international airport at Badgerys Creek;
- (4) recognises that 10 Western Sydney councils, the State Government and the State Opposition are opposed to the construction of the Badgerys Creek airport;
- (5) acknowledges the growing concern by the people of Western Sydney about the potential impact of the airport and their falling confidence levels in the EIS process and the manner in which the Government is handling the development of Sydney's second airport; and
- (6) recognises that the Government has failed to examine in detail alternative proposals to Badgerys Creek for the second airport's location and alternative proposals for more efficient use of existing airport infrastructure in Sydney. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on 6 December 1999.*)

4 **MR L. D. T. FERGUSON:** To move—That the House:

- (1) recognises that building a 24-hour international airport at Badgerys Creek will unfairly shift many of the environmental and social problems currently facing the residents living in the vicinity of Sydney's Kingsford-Smith Airport on to the residents of western Sydney;
- (2) notes that by the time an international airport built at Badgerys Creek is fully operative, the population in Sydney's greater west that will surround the development and be affected by its operations will have reached close to 2 million;
- (3) notes the already high levels of air pollution endured by the people of western Sydney and the increasing rates of respiratory illness suffered by the area's population and that a 24-hour international airport at Badgerys Creek would only exacerbate the problem; and
- (4) questions the suggested job growth figures that will eventuate following the development of an airport at Badgerys Creek. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on 6 December 1999.*)

- 5 **MR MOSSFELD:** To move—That the House:
- (1) notes the ongoing opposition by local residents to the building of an airport at Badgerys Creek by many Western Sydney MPs including Government and Opposition parties and local government groups;
  - (2) notes that opposition to the proposed airport was made a key issue in most Western Sydney electorates by all party candidates during the last federal election;
  - (3) recognises that the serious and justifiable concerns expressed by residents of inner Sydney to the noise and pollution effects caused by Kingsford-Smith Airport cannot be solved by simply moving the whole problem out to and onto Western Sydney residents;
  - (4) acknowledges that both the NSW Carr Government and the Chikarovski Opposition oppose the building of an airport at Badgerys Creek;
  - (5) challenges the claim of massive job creation by any such building of Badgerys Creek and declares that existing employees would merely transfer their worksite from Kingsford-Smith to Badgerys Creek; and
  - (6) calls on the Government to quickly abandon the Badgerys Creek airport proposal and place any new second airport outside the Sydney basin. (*Notice given 24 June 1999. Notice will be removed from the Notice Paper unless called on on 6 December 1999.*)
- 6 **MR K. J. THOMSON:** To move—That the House:
- (1) following the findings of the Dawson Royal Commission into the Longford gas explosion, condemns the Kennett Government for its failure to give legislative backing to the National Standard for Control of Major Hazard Facilities;
  - (2) notes that if the Kennett Government had passed legislation as the federal and Western Australian Governments have done the disaster may well have been averted;
  - (3) notes that the Oil and Gas platforms in Bass Strait are the subject of the national standard but not Longford, which is only 120 kilometres away, because it is under State jurisdiction; and
  - (4) condemns the Kennett Government for contributing to the Longford tragedy by failing to implement workplace safety reform. (*Notice given 30 June 1999. Notice will be removed from the Notice Paper unless called on on 6 December 1999.*)
- 7 **MR DANBY:** To move—That this House requests the Joint Standing Committee on Foreign Affairs, Defence and Trade to specifically inquire into and report on the question of religious persecution in Iran, including the prosecution of the thirteen imprisoned Jews, as part of the committee's present inquiry into Australia's efforts to protect and promote freedom of religion and belief. (*Notice given 30 June 1999; amended 1 September 1999. Notice will be removed from the Notice Paper unless called on on 6 December 1999.*)

8 **MR MARTIN:** To move—That the House:

- (1) notes the extreme hardship that will be caused to Australia's Defence Force personnel as a result of the new fringe benefits tax (FBT) reporting regime put in place as part of the Government's new tax system;
- (2) notes that the Government has decided to only exempt a few of the fringe benefits and allowances that Australian Defence Force (ADF) personnel receive from the new FBT reporting regime;
- (3) notes the unique and harsh conditions that ADF personnel work under and the fact that the ADF is not an ordinary workforce and has never been treated that way by previous governments; and
- (4) calls on the Government to recognise the unique status of the ADF and to therefore exempt all ADF personnel from FBT reporting requirements in respect of the conditions and benefits they receive because of their service in the armed forces. (*Notice given 24 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 6 December 1999.*)

9 **MR ANDREN:** To move—That the House:

- (1) notes the report of the National Inquiry into Children and the Legal Process in 1997 entitled "Seen and Heard", undertaken jointly by the Human Rights and Equal Opportunity Commission and the Australian Law Reform Commission, and its recommendation that Federal legislation be enacted to prohibit the mandatory detention of juvenile offenders;
- (2) notes the 1998 report of the Joint Standing Committee on Treaties into the United Nations Convention on the Rights of the Child which was critical of mandatory sentencing;
- (3) further notes the introduction of a private Senator's bill entitled Human Rights (Mandatory Sentencing of Juvenile Offenders) Bill 1999, and its planned reference to the Senate Legal and Constitutional Affairs Committee for a public inquiry; and
- (4) calls on the Government to support the Senate inquiry and to ensure that Australia meets its stated human rights obligations. (*Notice given 24 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 6 December 1999.*)

10 **MR BEAZLEY:** To move—That:

- (2) reaffirming the abhorrence of racism shared by the Australian people and their Federal and State Governments;
- (3) reaffirming Australia's recognition of the Universal Declaration of Human Rights, the International Convention on the Prevention and Punishment of the Crime of Genocide and the International Convention on the Prevention of All Forms of Racial Discrimination;

- (4) recalling the Parliament's commitment in October 1996 to the principles of racial tolerance; and;
- (5) recognising the profound economic and social disadvantage suffered by Aboriginal and Torres Strait Islander people—

this House:

- (a) affirms that the tabling of “Bringing them Home”, the Report of the National Inquiry into the Separation of Aboriginal and Torres Strait Islander Children from their Families, presents the nation with an unprecedented historical opportunity to render justice and restitution to Indigenous Australians, for the good of all Australians;
  - (b) acknowledges the immense trauma inflicted upon the Aboriginal and Torres Strait Islander peoples of Australia as a result of the separation of Aboriginal and Torres Strait Islander children from their families under past government policies in place from before the time of Federation until the early 1900s;
  - (c) affirms that these racially discriminatory policies and their continuing consequences are a matter of national shame;
  - (d) affirms that current and future Federal and State governments are responsible for assisting Aboriginal and Torres Strait Islander people to rectify the ongoing effects of those policies;

- on behalf of the nation—
- (f) unreservedly apologises to Aboriginal and Torres Strait Islander Australians for the separation policies;
  - (g) calls upon Federal and State Governments to establish, in consultation with the Aboriginal and Torres Strait Islander community, appropriate processes to provide compensation and restitution, including assistance for the reunification of families and counselling services;
  - (h) calls on the Federal and State Governments to establish appropriate education programs to enhance community awareness of the history and continuing consequences of past practices and policies of racial discrimination; and
  - (i) calls upon the Federal Government to declare a National Day in recognition and remembrance of the great suffering which flowed from the separation policies, and to affirm our nation's commitment to justice for Indigenous Australians, today and for the future. (*Notice given 25 August 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 6 December 1999.*)

11 **MR MELHAM:** To move—That this House, noting the desire of the Australian community to satisfactorily resolve outstanding issues concerning the stolen generation referred to in the recommendations of the report of the Human Rights and Equal Opportunity Commission entitled *Bringing Them Home*, calls on the Government to:

- (1) settle the stolen generation case currently before the federal court in the Northern Territory; and

- (2) following consultation and agreement with appropriate representatives of the Stolen Generation, to:
  - (a) establish an alternate dispute resolution tribunal to assist members of the Stolen Generations by resolving claims for compensation:
    - (i) through consultation, conciliation and negotiation, rather than adversarial litigation; and
    - (ii) where appropriate and agreed to, deliver alternate forms of restitution; and
  - (b) set up processes and mechanisms which are adequately funded to:
    - (i) provide counselling;
    - (ii) record their testimonies;
    - (iii) educate Australians about their history and current plight;
    - (iv) help them to establish their ancestry and to access family reunion services; and

**12 DR THEOPHANOUS:** To move—That this House:

- (1) expresses its concern regarding the aims and content of Migration Series Instruments (MSI) 244, which permits the transfer of asylum seekers from Migration Detention Centres to State prisons, where they are then held without charges or court proceedings;
- (2) recognises that the actions permitted under MSI-244 constitute an arbitrary executive imprisonment of people, of the kind which Australia has condemned when it occurs in other countries;
- (3) recognises the concerns expressed by the Commonwealth Ombudsman, Amnesty International, the Refugee Council of Australia, the Human Rights Commissioner and others, concerning the arbitrary powers of imprisonment given to immigration officers and detention centre officials under MSI-244;
- (4) notes that MSI-244 itself states that “there is no clear statutory basis for the selective transfer of detainees” to a State prison, and that this specific provision has never been approved by Parliament; and
- (5) calls upon the Minister for Immigration and Multicultural Affairs to immediately withdraw MSI-244 and draft a new MSI, that only allows transfers of refugees claimants to State prison in circumstances when they are being charged with an offence under a State or Commonwealth law, other than breach of migration visa laws). (*Notice given 1 September 1999. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 6 December 1999.*)

**13 MS HALL:** To move—That this House:

- (1) notes the progress that has been made by the States in moving towards truth in labelling for the egg industry;
- (2) requests the Commonwealth to show leadership and further facilitate all the States adopting national labelling standards; and

- (3) supports the phasing out of the practice of intense battery hen and egg farming. (*Notice given 1 September 1999. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 6 December 1999.*)
- 14 **MR ALBANESE:** To move—That this House:
- (1) supports the United Nations Organisation of African Unity Referendum for the Western Sahara;
  - (2) applauds the efforts of the UN Secretary General Kofi Annan and his special envoy for Western Sahara Mr James Baker to ensure that a free and fair Referendum is held in Western Sahara to allow its people to exercise their right to self-determination; and
  - (3) calls on the Government to reintroduce its contingent to the United Nations Mission for the Referendum in Western Sahara (MINURSO). (*Notice given 21 September 1999. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 6 December 1999.*)

- 16 **DR THEOPHANOUS:** To move—That this House:
- (1) notes that the report “Going for Gold Immigration Entry Arrangements for the Olympic and Paralympic Games” by the Joint Standing Committee on Migration, has made significant criticism of the visitor visa system and has warned of the potential embarrassment that this will create during the Sydney Olympic Games;
  - (2) notes that the Committee believes “that the higher refusal rates in some countries, and the difference between the ETA and non-ETA countries could produce embarrassing publicity detrimental to Australia’s international image”;
  - (3) notes that the representatives of the tourism industry and other witnesses believe that the system is highly intrusive for those applying from non-ETA countries, in so far as applicants are required to give many assurances and much information—far in excess of what is necessary for a tourist visa;
  - (4) notes that the Report confirms that those applying under the non-ETA (a system mostly from third world countries) system was subject to a much higher rejection rate for visitor visas and that the system is widely perceived

as highly discriminatory—these aspects of the system have been admitted by the Minister and his Department;

- (5) notes that the Committee further recommended “That an independent review analyses the effect of the visa application fee on applications and the effect on Australia’s image as a potential tourist destination”; and
- (6) calls upon the Minister for Immigration and Multicultural Affairs and the Government to totally overhaul the current discredited visitor visa process and to develop as a matter of urgency in the lead up to the Olympic Games, a fairer non-discriminatory system. (*Notice given 29 September 1999. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 6 December 1999.*)

17 **MR WILTON:** To move—That the House:

- (1) recognises the economic importance of Moorabbin Airport to the economic development of south-eastern Melbourne;

- (3) calls on the Government to legislate for the introduction of a curfew between 11 p.m. and 6 a.m.; and

- (2) notes that South Sydney are financially sound, have superb facilities at the Sydney Football Stadium, have an enormous support base and an outstanding junior team development structure;
- (3) notes that to abandon any sense of history, spirit and community involvement will destroy rugby league;
- (4) recognises that local institutions play a central role in defining a sense of community and giving our youth role models to aspire to; and
- (5) calls on the National Rugby League to include South Sydney in any future competition. (*Notice given 11 October 1999. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 6 December 1999.*)

19 **MR DANBY:** To move—That this House notes the failure of the Minister for Employment, Workplace Relations and Small Business to ensure the passing on of the benefits of increased waterfront productivity to Australian importers, exporters and consumers despite a \$250m taxpayer subsidy which appears to have merely provided increased profits to Lang Corporation and Patricks with a subsequent increase in their share prices. (*Notice given 18 October 1999. Notice*

*will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 6 December 1999.)*

20 **MR SCHULTZ:** To move—That this House notes:

- (1) places on record concern about the continued activity of the NSW Government in relation to the control of Ovine Johne's Disease (OJD) in sheep being without precedent in animal disease control in Australia;
- (2) notes that as at April 1999 over 900 farms were identified as being affected or suspected of having OJD in rural NSW alone, with most of these properties being in quarantine;
- (3) further notes the serious economic and social problems being faced by sheep and wool producers because of a growing concern that employment of veterinarians is a greater factor in the current enthusiasm for control than concerns for the disease free status of the industry; and
- (4) calls on the Federal Government to freeze all funding under the National Ovine Johne's Disease program until such time as an investigation is undertaken into NSW Department of Agriculture procedures to ensure its actions are based on sound scientific and socio-economic grounds. *(Notice given 18 October 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 6 December 1999.)*

21 **MR PRICE:** To move—That this House:

*from the Notice Paper unless called on on any of the next 7 sitting Mondays after 6 December 1999.)*

**23 MR MOSSFIELD:** To move—That this House:

- (1) notes that families are the smallest social group and are often underrated;
- (2) believes the productive work of households has been totally overlooked;
- (3) acknowledges that surveys have made visible the unpaid work of households and have found it comprises more than half of all valuable economic activity;
- (4) expresses concern that the tax system does not adequately protect the income of families rearing children and the economic system appears to have forgotten the value of the work of parents rearing children and the whole area of productive work in the household;
- (5) supports the view that most parents, regardless of social status, educational level or cultural background, are eager to receive and can benefit from information and support in their role as their children's first and most important teachers;
- (6) draws to the attention of all Members that many studies have shown that families not only make a powerful impact on the way children learn in school but that the influence of family actually outweighs that of the school; and
- (7) recognises that family-related variables have been overlooked in health promotion and health strategy literature and that if recognised and addressed, these family-related variables offer a new area for health promotion with strong possibilities for further success in reducing the burden of ill-health in the community. (*Notice given 20 October 1999. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 6 December 1999.*)

Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 6 December 1999.*)

**25 MR K. J. THOMSON:** To move—That this House:

- (1) condemns the Australian Democrat, Liberal and National Senators for not proceeding with or supporting the following terms of reference for the Senate Select Committee on Superannuation and Financial Services proposed by Democrat Senator Lyn Allison on 9 March 1999:

That the Committee inquire into and report on:

- (a) the adequacy of the tax system and related policy to address the retirement income and health care needs of Australians into the new millennium;
  - (b) strategies for building more effective national retirement income and long-term saving outcomes;
  - (c) reforms that could be implemented following completion of the Superannuation Guarantee Charge phase-in to 9 per cent; and
  - (d) the taxation of superannuation, particularly the Superannuation High Income Earners Tax Surcharge legislation and alternative payment mechanism; and
- (2) believes these to be important areas of inquiry for the Senate Select Committee on Superannuation and Financial Services. (*Notice given 21 October 1999. Notice will be removed from the Notice Paper unless called on on any of the next 8 sitting Mondays after 6 December 1999*)
- 26 **MR SECKER:** To move—That this House:
- (1) places on record the decline of regional infrastructure within parts of Australia, particularly in smaller rural communities;
  - (2) notes that increasingly, rural and regional Australians are required to travel a considerable distance to access quality medical services;
  - (3) further notes the growing size and scale of the transport industry is placing new demands on many roads throughout Australia and these roads need regular maintenance; and
  - (4) calls on the Government to examine funding to regional infrastructure projects so that smaller rural and regional communities can have access to similar services that city people have. (*Notice given 21 October 1999. Notice will be removed from the Notice Paper unless called on on any of the next 8 sitting Mondays after 6 December 1999*)
