 - (1) calls for an approach to illicit drug use which acknowledges that law enforcement alone cannot be a sufficient response to the health and social problems that confront us as a society in relation to illicit drugs, and policy makers and the community must focus on the effects of drug use on youth, and on developing harm minimisation strategies;
 - (2) is of the opinion that the Bill is a misguided response to the issue of illicit drugs in Australia, as the ‘war on drugs’ rhetoric is misguided, misplaced and out of step with what is really going on in the Australian community;
 - (3) is concerned that the increases in penalties contained in the Bill, have no coherent foundation and may lead to unintended and grossly unfair consequences; and
 - (4) whilst accepting that there are sound public policy reasons in the lead up to the Sydney 2000 Olympic Games to support special measures to prohibit the importation of performance enhancing drugs, notes that there has been inadequate public consultation in the development of these measures and the other penalty measures in the legislation, and calls on the Government to

5 DR THEOPHANOUS: To move—That this House:

- (1) expresses its concern regarding the aims and content of Migration Series Instruments (MSI) 244, which permits the transfer of asylum seekers from Migration Detention Centres to State prisons, where they are then held without charges or court proceedings;
- (2) recognises that the actions permitted under MSI-244 constitute an arbitrary executive imprisonment of people, of the kind which Australia has condemned when it occurs in other countries;
- (3) recognises the concerns expressed by the Commonwealth Ombudsman, Amnesty International, the Refugee Council of Australia, the Human Rights Commissioner and others, concerning the arbitrary powers of imprisonment given to immigration officers and detention centre officials under MSI-244;
- (4) notes that MSI-244 itself states that “there is no clear statutory basis for the selective transfer of detainees” to a State prison, and that this specific provision has never been approved by Parliament; and
- (5) calls upon the Minister for Immigration and Multicultural Affairs to immediately withdraw MSI-244 and draft a new MSI, that only allows transfers of refugees claimants to State prison in circumstances when they are being charged with an offence under a State or Commonwealth law, other than breach of migration visa laws). - (2) notes that the Committee believes “that the higher refusal rates in some countries, and the difference between the ETA and non-ETA countries could produce embarrassing publicity detrimental to Australia’s international image”;
- (3) notes that the representatives of the tourism industry and other witnesses believe that the system is highly intrusive for those applying from non-ETA countries, in so far as applicants are required to give many assurances and much information—far in excess of what is necessary for a tourist visa;
- (4) notes that the Report confirms that those applying under the non-ETA (a system mostly from third world countries) system was subject to a much higher rejection rate for visitor visas and that the system is widely perceived as highly discriminatory—these aspects of the system have been admitted by the Minister and his Department;
- (5) notes that the Committee further recommended “That an independent review analyses the effect of the visa application fee on applications and the effect on Australia’s image as a potential tourist destination”; and
- (6) calls upon the Minister for Immigration and Multicultural Affairs and the Government to totally overhaul the current discredited visitor visa process and to develop as a matter of urgency in the lead up to the Olympic Games, a fairer non-discriminatory system. *(Notice given 29 September 1999. - 12 **MR DANBY:** To move—That this House notes the failure of the Minister for Employment, Workplace Relations and Small Business to ensure the passing on of the benefits of increased waterfront productivity to Australian importers, exporters and consumers despite a \$250m taxpayer subsidy which appears to have merely provided increased profits to Lang Corporation and Patricks with a subsequent increase in their share prices. (*Notice given 18 October 1999. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 13 March 2000.*)

- (3) acknowledges that surveys have made visible the unpaid work of households and have found it comprises more than half of all valuable economic activity;
- (4) expresses concern that the tax system does not adequately protect the income of families rearing children and the economic system appears to have forgotten the value of the work of parents rearing children and the whole area of productive work in the household;

- (1) recognises the importance of affordable, quality child care for Australian parents;

- (4) calls for a study to assess the feasibility of establishing workplace child care facilities for Members, Senators and staff working at Parliament House. (*Notice given 24 November 1999.
