PRIVATE MEMBERS' BUSINESS

Notice given for Wednesday, 12 April 2000

*1 **DR THEOPHANOUS:** To move—That this House:

- (1) recognises that the current Australian Government policy of mandatory detention of refugee claimants who arrive in Australia without visas is an unfair policy that applies to all person irrespective of their circumstances and their the genuineness of their claim for refugee status;
- (2) recognises that the policy has been condemned by Amnesty International, the Refugee Council of Australia, the International Commission of Jurists

and other organisations for the suffering it creates; and furthermore recognises that Australia is the only developed country to have such a policy;

- (3) recognises that Amnesty International has described this policy as “not permitted under international human rights commitments” and that it “denies human rights to asylum seekers rights that are guaranteed for all Australians, even convicted criminals”; and
 - (4) calls upon the Government to abolish this policy and replace it with an alternative which allows for the consideration of the individual circumstances of refugees before any decisions about detention is made and in seeking to establish such an alternative the Government should consider the submission of the Refugee Council of Australia entitled “an alternative detention model”. (*Notice given 11 April 2000.*)

2 **DR THEOPHANOUS:** To move—That this House:

- (1) notes that the report “Going for Gold Immigration Entry Arrangements for the Olympic and Paralympic Games” by the Joint Standing Committee on Migration, has made significant criticism of the visitor visa system and has warned of the potential embarrassment that this will create during the Sydney Olympic Games;
- (2) notes that the Committee believes “that the higher refusal rates in some countries, and the difference between the ETA and non-ETA countries could produce embarrassing publicity detrimental to Australia’s international image”;
- (3) notes that the representatives of the tourism industry and other witnesses believe that the system is highly intrusive for those applying from non-ETA countries, in so far as applicants are required to give many assurances and much information—far in excess of what is necessary for a tourist visa;
- (4) notes that the Report confirms that those applying under the non-ETA (a system mostly from third world countries) system was subject to a much higher rejection rate for visitor visas and that the system is widely perceived

as highly discriminatory—these aspects of the system have been admitted by the Minister and his Department;

- (5) notes that the Committee further recommended “That an independent review analyses the effect of the visa application fee on applications and the effect on Australia’s image as a potential tourist destination”; and
 - (6) calls upon the Minister for Immigration and Multicultural Affairs and the Government to totally overhaul the current discredited visitor visa process and to develop as a matter of urgency in the lead up to the Olympic Games, a fairer non-discriminatory system. (*Notice given 29 September 1999. Notice will be removed from the Notice Paper unless called on on 29 May 2000.*)

 - (3) notes that to abandon any sense of history, spirit and community involvement will destroy rugby league;
 - (4) recognises that local institutions play a central role in defining a sense of community and giving our youth role models to aspire to; and
 - (5) calls on the National Rugby League to include South Sydney in any future competition. (*Notice given 11 October 1999. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 29 May 2000.*)
- 5 **MR DANBY:** To move—That this House notes the failure of the Minister for Employment, Workplace Relations and Small Business to ensure the passing on of the benefits of increased waterfront productivity to Australian importers, exporters and consumers despite a \$250m taxpayer subsidy which appears to have merely provided increased profits to Lang Corporation and Patricks with a subsequent increase in their share prices. (*Notice given 18 October 1999. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 29 May 2000.*)
