- (2) recognises that the provision in the three year visa which prevents the unification of those persons granted refugee status under the new policy with their spouse and dependent children, is inhumane and unacceptable under international human rights provisions, and is likely to prevent these refugees from seeing their spouses and children for more than the three year period; and
- (3) calls upon the Government to abolish this excessively punitive provision for those persons granted refugee status and to allow them to sponsor their spouses and dependent children to be with them for as long as they are given protection under Australia's international obligations. Everybody. Because we went to the people of Australia at the last election and we said there’d be no GST on rents. It has an impact on John Howard’s integrity and honour, and that of the Liberal Party as well”;

- (4) calls upon the Government to remove the discriminatory application of the GST against these Australians. (*Notice given 19 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 28 August 2000.*)

  - (c) reforms that could be implemented following completion of the Superannuation Guarantee Charge phase-in to 9 per cent; and
  - (d) the taxation of superannuation, particularly the Superannuation High Income Earners Tax Surcharge legislation and alternative payment mechanism; and
- (2) believes these to be important areas of inquiry for the Senate Select Committee on Superannuation and Financial Services. (*Notice given 19 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 28 August 2000.*)

**16 MR L. D. T. FERGUSON:** To move—That this House:

- (1) congratulates Iran regarding the completion of acknowledged democratic elections and the work of the new Majlis;
- (2) nevertheless regrets that Iran’s reputation continues to be marred by questions of human rights and denial of religious freedom, most particularly the persecution of Baha’is and the renewal of the death sentences of Mr

Hedayat Kashefi Najafabadi and Mr Sirius Zabihi-Moghaddam, and the inception of another against Mr Manuchehr Khulusi;

- (3) furthermore notes the persistent gaoling of numerous Baha'is for their religious beliefs and widespread discrimination in property, education, employment, civil and political rights;
  - (4) acknowledges grave concern for the fate of 13 members of the Jewish community presently in custody in Iranian prisons and facing charges of espionage; and
  - (5) urges Australia's continued vigilance and activity regarding human rights issues in Iran. (*Notice given 22 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 28 August 2000.*)

(*Notice given 22 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 28 August 2000.*)
- 18 **MR PRICE:** To move—That this House:
- (1) notes the Report by the Committee of Sydney Inc “Sydney's Gateways In The 21<sup>st</sup> Century - Part 1: The Airports”, prepared by Access Economics and Maunsell McIntyre Maunsell, dated June 2000 which states amongst other things:
    - (a) on a neutral set of assumptions, operations could commence at Badgerys Creek Airport (BCA) in 2020. To achieve this relies on a subsidy in the first two years and no interim measures to prolong Kingsford-Smith Airport (KSA) and, in the absence of other interim measures to prolong KSA (like Bankstown or speed rail), 2020 is the optimal start date for BCA;
    - (b) the earlier BCA commences the greater the economic negatives. If a private owner of Sydney airports is required to commence operations at BCA before it is economically viable, potential bidders will deduct an amount reflecting the cost of the subsidy from their bid price. For example, to commence BCA in 2015, the operational subsidy costs \$160m in the first year, gradually reducing to zero as BCA becomes viable in its own right. The total subsidy outlay from 2015 to 2019 is \$570m. To commence in 2010 the cost rapidly escalates to \$270m in the first year and \$1,700m in total from 2010 to 2019 (in 1997 dollars); and
    - (c) a \$1,700m subsidy to commence operations at BCA in 2010 will cause little reduction in KSA noise while accelerating the introduction of noise over Western Sydney. Reducing noise over inner Sydney would require an even larger subsidy; and
  - (2) urges the Minister for Transport and Regional Services to have an Independent Commission of Inquiry into Sydney's Transport Needs and

examine all options including Speed Rail, Interim measures to extend KSA, BCA and other alternative sights for Sydney's Second Airport. (*Notice given 27 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 28 August 2000.*)

19 **MR M. J. FERGUSON:** To move—That this House:

- (1) recognises the valuable role played by the Australian civilian ships in supporting the Interfet Force deployment in East Timor without which, as Commander Peter Cosgrove stated in his letter to the Maritime Union of Australia of 15 October 1999, the deployed Forces' logistics build up would have been severely hampered;
- (2) recognises that the role played by Australian civilian ships in East Timor continues the enormous role the Australian Merchant Navy has played historically in our ever expanding peacetime carriage of trade both domestically and internationally and through its service in two World Wars at cruel cost, with one seafarer in every eight dying and many more disappearing unrecorded in the ships of many nations;
- (3) supports the International Maritime Organisation's recognition of maritime workers and the importance of merchant shipping, including Australian coastal shipping through the celebrations of Maritime Day on September 24; and
- (4) believes that World Maritime Day should be regarded as a day of maritime pride and history and that the Australian Government should promote the flying of the Australian Flag rather than Flags of Convenience. (*Notice given 27 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 28 August 2000.*)

20 **MR MOSSFIELD:** To move—That this House:

- (1) acknowledges the importance of the construction of the Western Sydney Orbital Road System to the economic and social development of Western Sydney;
- (2) acknowledges the importance of road transport access that diminishes interference with road users in local communities;
- (3) recognises that in heavily developed regions such as Western Sydney, the speedy access by road transport to local business developments is vital in assisting productivity and business growth;
- (4) notes the policy commitment of successive governments to build the Western Sydney Orbital Road System;
- (5) acknowledges that only minimum funding has ever been set aside for the building of the Western Sydney Orbital Road System and that conditions of construction have included the building of a second airport at Badgerys Creek; and
- (6) calls on the Federal Government to listen to and act upon the many calls from affected residents, business groups, business development committees, local government spokespersons and other interested parties in Western Sydney and urgently provide sufficient funding to enable the NSW Government to combine in partnership with the Commonwealth to commence immediate construction of the whole Western Sydney Orbital

Road System. (*Notice given 14 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 8 sitting Mondays after 28 August 2000.*)

  - (4) calls on the Government to amend the Broadcasting Services Act to empower the Australian Broadcasting Authority to regulate the volume and pitch of television advertisements. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on 28 August 2000.*)
- 3 **OVINE JOHNE'S DISEASE:** Resumption of debate (*from 6 March 2000—Mr Gibbons, in continuation*) on the motion of Mr Schultz—That this House:
  - (1) places on record concern about the continued activity of the NSW Government in relation to the control of Ovine Johne's Disease (OJD) in sheep being without precedent in animal disease control in Australia;
  - (2) notes that as at April 1999 over 900 farms were identified as being affected or suspected of having OJD in rural NSW alone, with most of these properties being in quarantine;

- (3) further notes the serious economic and social problems being faced by sheep and wool producers because of a growing concern that employment of veterinarians is a greater factor in the current enthusiasm for control than concerns for the disease free status of the industry; and
  - (4) calls on the Federal Government to freeze all funding under the National Ovine Johne's Disease program until such time as an investigation is undertaken into NSW Department of Agriculture procedures to ensure its actions are based on sound scientific and socio-economic grounds. - 8 **CEMENT INDUSTRY**: Resumption of debate (*from 13 March 2000*) on the motion of Mr Adams—That this House:
- (1) notes that dumping of cement from Indonesia, China, Malaysia and Thailand is significantly undercutting Australian cement prices;
  - (2) notes substantial industry investment and cost cutting has made the Australian cement industry cost competitive, but the companies cannot compete against imports being sold below their cost of manufacture;
