- (4) calls upon the Government to abolish this policy and replace it with an alternative which allows for the consideration of the individual circumstances of refugees before any decisions about detention is made and in seeking to establish such an alternative the Government should consider the submission of the Refugee Council of Australia entitled “an alternative detention model”. (*Notice given 11 April 2000. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 9 October 2000.*)

4 DR THEOPHANOUS: To move—That this House:

- (1) expresses its concern at the hardship created by the implementation of the Government policy of granting three year temporary visas to refugees arriving without papers, even after they have been accepted as genuine under Australia's refugee determination processes;
- (2) recognises that the provision in the three year visa which prevents the unification of those persons granted refugee status under the new policy with their spouse and dependent children, is inhumane and unacceptable under international human rights provisions, and is likely to prevent these refugees from seeing their spouses and children for more than the three year period; and

- (3) calls upon the Government to abolish this excessively punitive provision for those persons granted refugee status and to allow them to sponsor their spouses and dependent children to be with them for as long as they are given protection under Australia's international obligations. (*Notice given 12 April 2000. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 9 October 2000.*)

- (2) notes the comments of the Member for Cowper referring to the application of the GST to permanent residents of mobile and manufactured home parks who said “what affects me personally is that my integrity and honour is impugned, as is John Anderson and Larry’s and Mark Vaile and the rest of us. Everybody. Because we went to the people of Australia at the last election and we said there’d be no GST on rents. It has an impact on John Howard’s integrity and honour, and that of the Liberal Party as well”;
- (3) notes that permanent residents of caravan parks and boarding houses were identified as being at high risk of homelessness in the Government’s National Homelessness Strategy; and
- (4) calls upon the Government to remove the discriminatory application of the GST against these Australians. *(Notice given 19 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 9 October 2000.)*

- 12 **MR K. J. THOMSON:** To move—That this House:

That the Committee inquire into and report on:
 - (a) the adequacy of the tax system and related policy to address the retirement income and health care needs of Australians into the new millennium;
 - (b) strategies for building more effective national retirement income and long-term saving outcomes;
 - (c) reforms that could be implemented following completion of the Superannuation Guarantee Charge phase-in to 9 per cent; and
 - (d) the taxation of superannuation, particularly the Superannuation High Income Earners Tax Surcharge legislation and alternative payment mechanism; and
 - (2) believes these to be important areas of inquiry for the Senate Select Committee on Superannuation and Financial Services. (*Notice given 19 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 9 October 2000.*)

(*Notice given 22 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 9 October 2000.*)
- 14 **MR PRICE:** To move—That this House:
- (1) notes the Report by the Committee of Sydney Inc “Sydney’s Gateways In The 21st Century - Part 1: The Airports”, prepared by Access Economics and Maunsell McIntyre Maunsell, dated June 2000 which states amongst other things:
 - (a) on a neutral set of assumptions, operations could commence at Badgerys Creek Airport (BCA) in 2020. To achieve this relies on a subsidy in the first two years and no interim measures to prolong Kingsford-Smith Airport (KSA) and, in the absence of other interim measures to prolong KSA (like Bankstown or speed rail), 2020 is the optimal start date for BCA;
 - (b) the earlier BCA commences the greater the economic negatives. If a private owner of Sydney airports is required to commence operations at BCA before it is economically viable, potential bidders will deduct an amount reflecting the cost of the subsidy from their bid price. For example, to commence BCA in 2015, the operational subsidy costs \$160m in the first year, gradually reducing to zero as BCA becomes viable in its own right. The total subsidy outlay from 2015 to 2019 is

\$570m. To commence in 2010 the cost rapidly escalates to \$270m in the first year and \$1,700m in total from 2010 to 2019 (in 1997 dollars); and

- (c) a \$1,700m subsidy to commence operations at BCA in 2010 will cause little reduction in KSA noise while accelerating the introduction of noise over Western Sydney. Reducing noise over inner Sydney would require an even larger subsidy; and
 - (2) urges the Minister for Transport and Regional Services to have an Independent Commission of Inquiry into Sydney's Transport Needs and examine all options including Speed Rail, Interim measures to extend KSA, BCA and other alternative sights for Sydney's Second Airport. (*Notice given 27 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 9 October 2000.*)
- 15 **MR MOSSFIELD:** To move—That this House:

- (1) acknowledges the importance of the construction of the Western Sydney Orbital Road System to the economic and social development of Western Sydney;
- (2) acknowledges the importance of road transport access that diminishes interference with road users in local communities;
- (3) recognises that in heavily developed regions such as Western Sydney, the speedy access by road transport to local business developments is vital in assisting productivity and business growth;
- (4) notes the policy commitment of successive governments to build the Western Sydney Orbital Road System;
- (5) acknowledges that only minimum funding has ever been set aside for the building of the Western Sydney Orbital Road System and that conditions of construction have included the building of a second airport at Badgerys Creek; and
- (6) calls on the Federal Government to listen to and act upon the many calls from affected residents, business groups, business development committees, local government spokespersons and other interested parties in Western Sydney and urgently provide sufficient funding to enable the NSW Government to combine in partnership with the Commonwealth to commence immediate construction of the whole Western Sydney Orbital Road System. (*Notice given 14 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 9 October 2000.*)

16 **MR WILKIE:** To move—That this House:

- (1) congratulates Iran regarding the completion of acknowledged democratic elections and the work of the new Majlis;
- (2) nevertheless regrets that Iran's reputation continues to be marred by questions of human rights and denial of religious freedom, most particularly the persecution of Baha'is and the renewal of the death sentences of Mr Hedayat Kashefi Najafabadi and Mr Sirus Zabihi-Moghaddam, and the inception of another against Mr Manuchehr Khulusi;

- (3) furthermore notes the persistent gaoling of numerous Baha'is for their religious beliefs and widespread discrimination in property, education, employment, civil and political rights;
- (4) acknowledges grave concern for the fate of 13 members of the Jewish community presently in custody in Iranian prisons and facing charges of espionage; and
- (5) urges Australia's continued vigilance and activity regarding human rights issues in Iran. (*Notice given 28 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 9 October 2000.*)

17 **MS O'BYRNE:** To move—That this House:

- (1) recognises the valuable role played by the Australian civilian ships in supporting the Interfet Force deployment in East Timor without which, as Commander Peter Cosgrove stated in his letter to the Maritime Union of Australia of 15 October 1999, the deployed Forces' logistics build up would have been severely hampered;
- (2) recognises that the role played by Australian civilian ships in East Timor continues the enormous role the Australian Merchant Navy has played historically in our ever expanding peacetime carriage of trade both domestically and internationally and through its service in two World Wars at cruel cost, with one seafarer in every eight dying and many more disappearing unrecorded in the ships of many nations;
- (3) supports the International Maritime Organisation's recognition of maritime workers and the importance of merchant shipping, including Australian coastal shipping through the celebrations of Maritime Day on September 24; and
- (4) believes that World Maritime Day should be regarded as a day of maritime pride and history and that the Australian Government should promote the flying of the Australian Flag rather than Flags of Convenience. (*Notice given 28 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 9 October 2000.*)

- (2) recognises the CEDAW as the only woman specific human rights mechanism at the international level;
- (3) recognises that the Optional Protocol to the CEDAW is a major step forward in realising Governments' commitments with regard to women's human rights;

- (4) recognises that the Optional Protocol to the CEDAW creates procedures for the United Nations to promote the enjoyment of human rights to all women and the world-wide elimination of discrimination against women;
- (5) recognises that signatories to the Optional Protocol to the CEDAW reject all forms of injustice and systemic discrimination suffered by women world-wide;
- (6) recognises that the Optional Protocol provides a significant opportunity for women who have suffered from discrimination to seek justice through the United Nations;
- (7) expresses concern at the significantly diminished role Australia is playing in the negotiations of the Optional Protocol to the CEDAW and the low priority given to the Optional Protocol by the Howard Government;
- (8) calls on the Howard Government to take an active role in the negotiation process and to promote a speedy ratification of the Optional Protocol; and
- (9) calls on the Howard Government to have Australia become a signatory to the Optional Protocol to the CEDAW. (*Notice given 30 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 9 October 2000.*)

 - (2) upholds, to the greatest extent consistent with the laws of decency and libel, the unfettered right to freedom of speech and freedom of opinion upon which our vigorous democracy is built;

- *1934 **DR THEOPHANOUS:** To ask the Minister for Immigration and Multicultural Affairs—
- (1) In his “Meet the Press” media interview on 3 September 2000 did he maintain that the Government adheres to Australia’s treaty obligations; if so, why has Australia received from various UN treaty bodies.
 - (2) Is his recent announcement of Australia’s position with regard to the UN Treaty bodies in contravention of Article 35 of the convention which ensures Contracting States to undertake to cooperate with the Office of the UN High Commissioner for Refugees.
- *1935 **DR THEOPHANOUS:** To ask the Minister for Immigration and Multicultural Affairs—
- (1) In reference to his “Meet the Press” media interview on 3 September 2000 and his claim that people who would not be accepted as refugee claims elsewhere are accepted in Australia, which other Western nations are in this position and what are these tougher criteria.
 - (2) Is it an acceptable argument to reject UN submissions about individual refugees who have met international criteria, simply because some other countries may not accept them.
- *1936 **DR THEOPHANOUS:** To ask the Minister for Immigration and Multicultural Affairs—In reference to his “Meet the Press” media interview on 3 September 2000 and his dislike of the practice of photographs being taken in detention centres due to possible acts of retribution that may be taken against family members residing in the home country, why does he refuse accepted refugees from reuniting with their spouse and children, which gives rise to similar and more serious human rights threats to their families.
- *1937 **DR THEOPHANOUS:** To ask the Minister for Immigration and Multicultural Affairs—Given that the vast majority of the Kosovar refugees have been returned, and the drastic circumstances of the 18 refugees remaining in detention in Australia, eight of whom are children, and all of whom come from Preshevo in Southern Serbia, which the UNHCR has reported cannot return to their home villages, will he immediately release these 18 refugees to the care of the Kosovar Community and support groups of Australia, pending further determination of their permanent resident status.
- *1938 **MR DANBY:** To ask the Minister representing the Minister for the Environment and Heritage—
- (1) What programs or grants administered by the Minister’s Department provide assistance to people living in the electoral division of Melbourne Ports.

- (2) What was the level of funding provided through these programs or grants in (a) 1996-97, (b) 1997-98, (c) 1998-99 and (d) 1999-2000.

*1939 **MR DANBY:** To ask the Minister for Sport and Tourism—

- (1) What was the level of funding provided through programs or grants administered by her Department to provide assistance to people living in the electoral division of Melbourne Ports in 1999-2000.
- (2) What level of funding provided through these programs or grants has been appropriated for 2000-2001.

*1940 **MS BURKE:** To ask the Treasurer—

- (1) Will the Government remove the requirement for the lodgement of tax returns for certain classes of employees; if so, which employees.
- (2) Has the Taxation Task Force considered this proposal; if so, what work has it undertaken.
- (3) Did the Australian Taxation Office (ATO) consider the idea of option tax returns.
- (4) Did the ATO pilot the statement approach in 2000-2001; if not, why not.
- (5) Will this idea be considered by the Board of Taxation.
