**PRIVATE MEMBERS' BUSINESS—continued****Notices—continued**

- 1 **MR BEAZLEY:** To move—That this House:
  - (1) congratulates the many thousands of Australians who walked in support of reconciliation on 28 May 2000 in Sydney and elsewhere;
  - (2) acknowledges this clear and unequivocal public expression of support for the process of reconciliation between indigenous and non-indigenous Australians; and
  - (3) calls on the Government to respond positively to the clear and unequivocal public support demonstrated on the weekend of 27-28 May 2000 for a national apology for injustices suffered by indigenous Australians as a result of past practices, including the removal of children from their parents. *(Notice given 29 May 2000. Notice will be removed from the Notice Paper unless called on on 6 November 2000.)*
  
- 2 **MR BEAZLEY:** To move—That this House, on behalf of all Australians:
  - (1) expresses its sorrow and apologises unreservedly for the hurt, grief and suffering experienced by Aboriginal and Torres Strait Islander peoples over many generations as a result of the policies of Australian governments over time that have caused or allowed the separation of Aboriginal and Torres Strait Islander children from their parents, families and communities;
  - (2) acknowledges and apologises for the fact that the history of European settlement of Aboriginal and Torres Strait Islander lands has been marked by many indefensible wrongs inflicted on the lives, cultures and heritage of indigenous peoples over time; and
  - (3) reaffirms its commitment to the goals and processes of true reconciliation between indigenous and non-indigenous Australians across Australia. *(Notice given 29 May 2000. Notice will be removed from the Notice Paper unless called on on 6 November 2000.)*
  
- 3 **MR ALBANESE:** To move—That this House:
  - (1) declares that it is crucial for our democratic system of Government that measures be pursued and implemented to improve the standing and integrity of politicians with the community;
  - (2) notes the comments of the Member for Cowper referring to the application of the GST to permanent residents of mobile and manufactured home parks who said “what affects me personally is that my integrity and honour is impugned, as is John Anderson and Larry’s and Mark Vaile and the rest of us. Everybody. Because we went to the people of Australia at the last election and we said there’d be no GST on rents. It has an impact on John Howard’s integrity and honour, and that of the Liberal Party as well”;
  - (3) notes that permanent residents of caravan parks and boarding houses were identified as being at high risk of homelessness in the Government’s National Homelessness Strategy; and
  - (4) calls upon the Government to remove the discriminatory application of the GST against these Australians. *(Notice given 19 June 2000. Notice will be*

*removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 6 November 2000.*)

4 **MR K. J. THOMSON:** To move—That this House:

- (1) condemns the Australian Democrat, Liberal and National Senators for not proceeding with or supporting the following terms of reference for the Senate Select Committee on Superannuation and Financial Services proposed by Democrat Senator Lyn Allison on 9 March 1999:

That the Committee inquire into and report on:

- (a) the adequacy of the tax system and related policy to address the retirement income and health care needs of Australians into the new millennium;
  - (b) strategies for building more effective national retirement income and long-term saving outcomes;
  - (c) reforms that could be implemented following completion of the Superannuation Guarantee Charge phase-in to 9 per cent; and
  - (d) the taxation of superannuation, particularly the Superannuation High Income Earners Tax Surcharge legislation and alternative payment mechanism; and
- (2) believes these to be important areas of inquiry for the Senate Select Committee on Superannuation and Financial Services. (*Notice given 19 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 6 November 2000.*)

5 **MR PRICE:** To move—That this House:

- (1) notes the Report by the Committee of Sydney Inc “Sydney's Gateways In The 21<sup>st</sup> Century - Part 1: The Airports”, prepared by Access Economics and Maunsell McIntyre Maunsell, dated June 2000 which states amongst other things:
  - (a) on a neutral set of assumptions, operations could commence at Badgerys Creek Airport (BCA) in 2020. To achieve this relies on a subsidy in the first two years and no interim measures to prolong Kingsford-Smith Airport (KSA) and, in the absence of other interim measures to prolong KSA (like Bankstown or speed rail), 2020 is the optimal start date for BCA;
  - (b) the earlier BCA commences the greater the economic negatives. If a private owner of Sydney airports is required to commence operations at BCA before it is economically viable, potential bidders will deduct an amount reflecting the cost of the subsidy from their bid price. For example, to commence BCA in 2015, the operational subsidy costs \$160m in the first year, gradually reducing to zero as BCA becomes viable in its own right. The total subsidy outlay from 2015 to 2019 is \$570m. To commence in 2010 the cost rapidly escalates to \$270m in the first year and \$1,700m in total from 2010 to 2019 (in 1997 dollars); and
  - (c) a \$1,700m subsidy to commence operations at BCA in 2010 will cause little reduction in KSA noise while accelerating the introduction of

noise over Western Sydney. Reducing noise over inner Sydney would require an even larger subsidy; and

- (2) urges the Minister for Transport and Regional Services to have an Independent Commission of Inquiry into Sydney's Transport Needs and examine all options including Speed Rail, Interim measures to extend KSA, BCA and other alternative sights for Sydney's Second Airport. (*Notice given 27 June 2000. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 6 November 2000.*)

**6 MR MOSSFELD:** To move—That this House:

- (1) acknowledges the importance of the construction of the Western Sydney Orbital Road System to the economic and social development of Western Sydney;
- (2) acknowledges the importance of road transport access that diminishes interference with road users in local communities;
- (3) recognises that in heavily developed regions such as Western Sydney, the speedy access by road transport to local business developments is vital in assisting productivity and business growth;
- (4) notes the policy commitment of successive governments to build the Western Sydney Orbital Road System;
- (5) acknowledges that only minimum funding has ever been set aside for the building of the Western Sydney Orbital Road System and that conditions of construction have included the building of a second airport at Badgerys Creek; and
- (6) calls on the Federal Government to listen to and act upon the many calls from affected residents, business groups, business development committees, local government spokespersons and other interested parties in Western Sydney and urgently provide sufficient funding to enable the NSW Government to combine in partnership with the Commonwealth to commence immediate construction of the whole Western Sydney Orbital Road System. (*Notice given 14 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 6 November 2000.*)

**7 MR WILKIE:** To move—That this House:

- (1) congratulates Iran regarding the completion of acknowledged democratic elections and the work of the new Majlis;
- (2) nevertheless regrets that Iran's reputation continues to be marred by questions of human rights and denial of religious freedom, most particularly the persecution of Baha'is and the renewal of the death sentences of Mr Hedayat Kashefi Najafabadi and Mr Sirus Zabihi-Moghaddam, and the inception of another against Mr Manuchehr Khulusi;
- (3) furthermore notes the persistent gaoling of numerous Baha'is for their religious beliefs and widespread discrimination in property, education, employment, civil and political rights;
- (4) acknowledges grave concern for the fate of 13 members of the Jewish community presently in custody in Iranian prisons and facing charges of espionage; and

- (5) urges Australia's continued vigilance and activity regarding human rights issues in Iran. (*Notice given 28 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 6 November 2000.*)

**8 MS O'BYRNE:** To move—That this House:

- (1) recognises the valuable role played by the Australian civilian ships in supporting the Interfet Force deployment in East Timor without which, as Commander Peter Cosgrove stated in his letter to the Maritime Union of Australia of 15 October 1999, the deployed Forces' logistics build up would have been severely hampered;
- (2) recognises that the role played by Australian civilian ships in East Timor continues the enormous role the Australian Merchant Navy has played historically in our ever expanding peacetime carriage of trade both domestically and internationally and through its service in two World Wars at cruel cost, with one seafarer in every eight dying and many more disappearing unrecorded in the ships of many nations;
- (3) supports the International Maritime Organisation's recognition of maritime workers and the importance of merchant shipping, including Australian coastal shipping through the celebrations of Maritime Day on September 24; and
- (4) believes that World Maritime Day should be regarded as a day of maritime pride and history and that the Australian Government should promote the flying of the Australian Flag rather than Flags of Convenience. (*Notice given 28 August 2000. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 6 November 2000.*)
